

PUBLIC RECORDS ACT

POLICY AND PROCEDURES

PROGRAM STATEMENT

The City of North Bend (the “City”) is committed to providing full access to public records in accordance with the Washington State Public Records Act - Chapter 42.56 RCW (the “PRA”). The City is required to respond to public records requests, for identifiable public records, pursuant to the PRA. The City is not required by the PRA to respond to questions, do research, or to give information.

Except as mandated by law, the guidelines set forth in this policy are discretionary and advisory only and shall not impose any affirmative duty on the City. The City reserves the right to apply and interpret this policy as it sees fit, and to revise or change the policy at any time, without further action by the City Council. Failure to comply with any provision of these rules shall not result in any liability on the part of the City other than as set forth in the PRA.

This policy supersedes any and all of the City’s prior public records policies.

PURPOSE

The purpose of this Policy is to establish the guidelines and procedures that the City will follow in order to provide full access to public records, fullest assistance to requestors, and timely responses as required by RCW 42.56.100, while at the same time protecting public records from damage or disorganization, preventing disclosure of exempt or confidential information, and preventing excessive interference with other essential functions of the City.

SCOPE

This policy applies to all City employees and elected/appointed officials, including the City Council and board and commission members appointed by the Mayor.

1. DEFINITIONS

1.1 “City” means the City of North Bend.

1.2 “Employee” means the Mayor, City Council, Department Directors and all other City staff.

1.3 “Exempt” means that a law allows or requires the withholding of a record, or a portion thereof, from disclosure.

1.4 “Fullest assistance” means a timely and thorough action and response to a public records request within the monthly time period budgeted for Employees to respond to public records in order to avoid unreasonable interference with Employees’ essential job functions.

1.5 “Public Records Officer” or “PRO” means the City Clerk of North Bend or such other person as designated by the City Administrator for processing public records requests and is the person responsible for assisting departments with public records requests and responses.

1.6 “Public record” means any writing containing information relating to the conduct of government or the performance of any governmental or proprietary function prepared, owned, used, or retained by the City regardless of physical form or characteristics.

1.7 “Redact” refers to the method of protecting from public viewing the portion of a record that is statutorily exempt from public disclosure.

1.8 “Withholding log” is a list of records or portions thereof that are responsive to a public records request but are exempt from disclosure, together with a reference to the specific record; the date of the record; the author; the subject; to whom the record is addressed and copied; the number of pages, the statutory exemption being applied; and a brief explanation of how the exemption applies to the record.

1.9 “Writing” means handwriting, typewriting, printing, photostating, photographing, and every other means of recording any form of communication or representation including, but not limited to, letters, words pictures, sounds, or symbols, or combination thereof and all papers, maps, magnetic or paper tapes, photographic films and prints, motion picture, film and video recordings, magnetic or punched cards, discs, drums, diskettes, sound recordings, and other documents including existing data compilations from which information may be obtained or translated. An email, text, social media posting and database are therefore also "writings.”

2. POLICY

2.1 Availability of Records. The Public Records Officer shall make available for inspection and copying all nonexempt public records in accordance with Chapter 42.56 RCW – the Washington State Public Records Act and within the allocated maximum monthly budgeted time set by forth in Section 3.10 below.

2.2 Providing fullest assistance. The City shall provide the “fullest assistance” to requestors; ensure that public records are protected from damage or disorganization; and prevent the fulfillment of public records requests from causing excessive interference with essential functions of the City.

2.3 Records index. The City finds that maintaining an index of public records is unduly burdensome and would interfere with agency operations. *See* RCW 42.56.070(3) and (4). The requirement to maintain a public records index would be unduly burdensome or interfere with City operations because the Public Records Officer is also the City Clerk – a position within the City with numerous other responsibilities in addition to Public Records Officer. Moreover, the City’s budget and staffing levels make it unduly burdensome to maintain such index.

3. PROCEDURES

3.1. The City encourages all requests for public records be made in writing on a *Public Records Request Form*, which is available at City Hall and on the City of North Bend’s website, www.northbendwa.gov. Requests may be submitted in person at City Hall, by mail, fax, or e-mail.

Oral requests will be accepted, and the substance will be promptly confirmed in writing to the requestor. Requests for Police Records or Fire Department Records shall be submitted to the agency contracted for said services. Records received after hours will be considered “received” on the next business day.

3.2 In the event that requested records contain information that affects third parties, the Public Records Officer may, before providing the records, give notice to affected persons in accordance with RCW 42.56.540. The notice shall include a copy of the request.

3.3 If a department believes that a record or any part of a record is exempt from disclosure, the Public Records Officer shall provide to the requestor a written communication identifying the record or portion withheld, the specific exemption relied upon and the authority for the exemption, and briefly explaining how the exemption applies to the record or portion withheld, including enough information for a requestor to make a threshold determination of whether the claimed exemption is proper. If only portions of a record are exempt from disclosure, the Public Records Officer shall redact the exempt portions and provide the nonexempt portions. The documentation described in this section should be presented in the form of a withholding log.

3.4 A requestor may choose to have copies of records made instead of inspecting them. Charges for photocopies or electronically produced copies shall be made in accordance with RCW 42.56.070 and .120. The City may require a deposit of up to ten (10) percent of the estimated costs of copying all the records.

3.5 If the requestor chooses to inspect records before deciding whether to have copies made, the City shall provide space for inspection during regular business hours except when and to the extent it would cause excessive interference with other essential functions or unreasonably disrupt operations. A City employee will observe and document the inspection. No member of the public

may remove a document from the viewing area or disassemble or alter any document. The requestor may indicate which records he or she wishes to have the City copy.

3.6 Routine requests are those in which the documents are available on the City’s website, such as meeting minutes, Ordinances, Resolutions, permits, or other documents routinely produced and readily available for review. All requests not otherwise identified as large or complex shall be considered routine requests and will be handled in the normal course of business consistent with these policies and without undue delay caused by the processing of large or complex requests.

3.7 Non-routine, large, or complex requests are those in which: 1) there is a question about disclosure, in whole or in part; 2) the information requires more than a few minutes to compile; or 3) the records requested come from more than one department or source.

In making this determination, the Public Records Officer or designee should consider relevant factors including, but not limited to: a) the general, expansive, or all-inclusive nature of the request; b) the number of departments involved; c) the location of records and available method of searching records; d) the potential number of records implicated; e) the rights of third parties; f) the need for clarification of the request; g) administrative tasks necessary to process the request; h) the amount of time needed to review documents for applicable exemptions; i) the need for legal review of the public records request; and j) the format of relevant records.

3.8 When the request is for a large number of records, the Public Records Officer shall provide access for inspection and copying in installments, if applicable.

3.9 In general, public records requests will be handled in the order they are received. If the City receives a request that results in a small amount of responsive records (i.e. would take around five to ten minutes to fulfill) and the City believes it can fulfill that request in a short amount of time, then the City may fill that request before others. In general, should there be multiple requests by the same requestor, the request that was first received will be processed first and the other requests will be started after the previous request is complete. Further, should there be two requests in a month by the same requestor, the second request shall be processed after processing of any request pending from a prior month and/or requests from requestors making only a single request. For requestors making a third request in a month (or more), those requests shall be prioritized behind any pending requests from requestors making fewer than three requests that month. If the maximum monthly employee hours is met in a month, employees shall cease working on public records requests for the duration of the month in order to perform their essential job duties, unless those employees find themselves with extra time in a month or at the discretion of the City Administrator or their designee. Such delay will not interfere with the foregoing “first in time, first in right” prioritization of requests.

3.10 Fulfilling public records requests are an essential function of the City Clerk’s office, the Community and Economic Development Permit Technician duties, and the Public Works Office Coordinator duties. The City finds it reasonable to dedicate no more than twenty (20) total hours a month to respond to public records requests. The amount defined is based on the amount of other core responsibilities outlined in an employee’s job description and will be allocated as follows: 1) the City Clerk and/or Admin or Finance Department Staff shall spend no more than ten hours per

month fulfilling and responding to public records requests; the Community and Economic Development Permit Technician and/or CED Staff shall spend no more than eight hours per month fulfilling and responding to public records requests; and the Public Works Office Coordinator and/or Public Works Staff shall spend no more than two hours per month fulfilling and responding to public records requests. These allocations may be altered from time to time at the discretion of the City Administrator.

3.11 A requestor may always choose to narrow or clarify a large or complex request. A requestor may always make a new public records request that more specifically identifies records needed and otherwise qualifies as a routine request, rescinding their narrow or complex request. Requestors are encouraged to consider the needs of others and utilize the public records request process responsibly.

3.12 If, within thirty (30) days after notification that records are available for inspection or copying, the requestor fails to inspect the entire set of records or one or more of the installments, as applicable, the City may close the request and re-file the records. The requestor shall be notified in writing of this action.

3.13 If, after informing the requestor that all responsive records have been provided, the Public Records Officer notifies the requestor that additional responsive records existed at the time of the request, it shall promptly inform the requestor of the additional records, provide a brief explanation of the circumstances, and provide them on an expedited basis.

3.14 The City shall not distinguish among persons requesting records, and such persons shall not be required to provide information as to the purpose of the request unless necessary to determine whether an exemption applies or whether a list of individuals is being requested for commercial purposes.

3.15 Any person who objects to the initial denial or partial denial of a public records request may petition in writing to the City Administrator for a review of the decision. The petition shall include a copy of or reasonably identify the written statement by the Public Records Officer denying the request. The City Administrator shall promptly consider the petition and either affirm or reverse the denial within ten (10) business days following receipt of the petition.

4. PROCESSING PUBLIC RECORDS REQUESTS

City employees receiving public records requests shall:

4.1 Receive and acknowledge requests for public records. If request is oral, provide written confirmation to requestor.

4.2 Date stamp the request. Log the request into the City Clerk's spreadsheet, including date of receipt, requestor's name, the specific records requested, detailed notes about each communication with the requestor, staff time spent on researching the request, and date closed. The employee responding to the request will use the public records request form to document detailed notes related to processing the request.

4.3 5-Day Letter: Within five (5) business days of receipt of the request, do one or more of the following:

(a) Make the records available for inspection or copying;

(b) Provide an Internet address and link on the City’s website to the specific records request, unless the requestor notifies the City they cannot access the records through the Internet, then the City must provide copies of the record or allow the requestor to view the copies. If copies are requested and payment of a deposit for the copies, if any, is made or terms of payment are agreed upon, send the copies to the requestor. The per page cost is defined in RCW 42.56.120;

(c) Acknowledge the request and provide to the requestor a reasonable estimate of when the City will respond to the request including a specific date for a response;

(d) Acknowledge the request and ask for clarification of a request that is unclear, and provide, to the greatest extent possible, a reasonable estimate of the time needed to respond to the request if it is not clarified;

(e) In acknowledging receipt of a public record request that is entirely unclear, the City may ask the requestor to clarify what information the requestor is seeking. If the requestor fails to clarify the request within thirty (30) days, the City need not respond to it and the request will be closed as abandoned and the City will send a closure letter to the requestor. *RCW 42.56.520; WAC 44-14-04003(7)*. However, if a portion of the request is clear, the request will not be closed and the City will respond to the portion(s) that are clear.

The City frequently receives requests for public records identified in terms of “any and all documents related to” or similar language. City staff shall not be obligated to interpret such a broad, general request in order to decipher which specific documents may be of interest to the requestor and the PRA does not allow a requestor to search through the City’s files for records which cannot be identified or described to the City. When a request uses a vague phrase such as “all records relating to,” the PRO shall seek clarification to determine what identifiable records are being sought; or

(f) Deny the request, notify the requestor of the denial, and provide a written statement of the specific reasons for the denial.

4.4 Third Party Notice: If applicable, provide notice to third parties whose rights may be affected by the disclosure.

4.5 Union Request Coordination: If a request is from a labor union representing City employees, review the request with the City Attorney.

4.6 Media Request Coordination. If a request is from a media representative, review the request with the Communications Coordinator.

4.7 Gather Responsive Records: Identify and collect responsive records, and document steps taken, including employees contacted and search terms used.

4.8 Identify Applicable Exemptions: Identify exemptions, if any, and redact or withhold exempt documents after consulting with the Public Records Officer as needed. See section 5.0.

4.9 Prepare Log: Prepare withholding log, if applicable.

4.10 Arrange for Payment: If the requestor wishes to receive copies without prior inspection, make arrangements for payment and provide copies.

4.11 Arrange for Inspection: If the requestor seeks inspection, arrange for inspection at a time mutually agreed upon by the requestor and the department. Designate an employee to observe and document the inspection. Public records are available for inspection during the City's normal business hours, (Monday through Thursday, 8:30 a.m. to 4:30 p.m., excluding the lunch hour between 12:00 p.m. and 1:00 p.m., Friday, 8:30 a.m. to 12:00 p.m., and excluding legal holidays).

4.12 Make Copies: After inspection is complete, make requested copies or arrange for copying. Large copying requests can be completed by an outside copying vendor.

4.13 Close the Request: Notify the requestor that the request is closed when:

(a) A diligent search for the requested records has been made and all responsive records have been produced and, if applicable, a withholding log has been provided;

(b) A requestor has not, within thirty (30) days of notification that records are available for inspection or copying, inspected or requested copies of the records;

(c) A requestor has not, within thirty (30) days of notification that copies have been made, claimed and paid for copies; or

(d) A requestor has not, within thirty (30) days of a request for clarification, provided clarification.

4.14 Coordination on Petitions: The Public Records Officer will work with the City Attorney on any petitions of denials or partial denials.

4.15 Costs. The City does not have the resources to conduct a study to determine actual copying costs for all its records; to conduct such a study would interfere with other essential City functions; and, through the legislative process, the public and requestors have commented on and been informed of authorized fees and costs provided in the Public Records Act including RCW [42.56.120](#) and other laws. Therefore, in order to timely implement a fee schedule consistent with the Public Records Act, it is more cost efficient, expeditious and in the public interest for the City to adopt the state legislature's approved fees and costs for most of the City records, as authorized in RCW [42.56.120](#), as now existing or hereafter amended:

- 15 cents/page for photocopies or printed electronic copies;
- 10 cents/page for records scanned into electronic format;
- 5 cents for every four electronic files or attachments uploaded to an email, cloud storage service or other electronic delivery system;
- 10 cents/per gigabyte for transmitting records electronically; or
- The actual cost of digital media device, container used to mail the copies and the actual postage or delivery charge.

Fee Calculation. The fees set forth in this Section are default fees set pursuant to RCW 42.56.070(7) and 42.56.120. The City finds that the process to calculate actual costs for producing paper and electronic records is unduly burdensome given the limited amount of staff resources to dedicate to this research and analysis.

Costs for Copies/electronic files. A requestor may obtain paper copies or electronically produced copies of records (electronic files) as provided under RCW 42.56.070(7), 42.56.120 and WAC 44-14-07003; the City will charge for those copies/files according to the fee schedule below.

Costs for Scans. A requestor may obtain scans of paper records as provided under RCW 42.56.070(8), 42.56.120 and WAC 44-14-07003; provided, the City may charge for scanning documents not already in electronic format. The City can, at its discretion, send the project to a commercial copying/scanning center and bill the requestor for the amount charged by the vendor, as set forth herein.

The City will not charge sales tax when it makes copies or scans of public records, but if the records are sent to a third party for copying/scanning, that third party may charge sales tax and the requestor will be responsible for payment of that tax as well as the third party's actual charges for copies or scans.

Other Costs. For records in other forms, the City will charge the actual cost it pays for the medium used to record or transfer the record(s) provided. Those mediums include, but are not limited to, tapes, floppy disks, CDs, DVDs, USB flash drives, and paper that costs more than \$0.15 per page. The statements providing those costs are the invoices paid to obtain them and are available for public inspection and copying.

Payment of fees is required prior to release of records unless other arrangements have been made.

Record Type/Size - Paper	Charge
8.5" x 11" up to 11" x 17" (color or b/w)	\$0.15/page
24" x 36" (color or b/w)	\$7.12/page
36" x 48" (color or b/w)	\$14.23/page
Record Type/Size - Electronic	Charge
Scanning into electronic format	\$0.10/page
Electronic files or attachments	\$0.05/four
Electronic Transmission	\$0.10/GB
CD-R (700MB)	\$0.28
DVD (4.7 GB)	\$0.90
USB flash drive (2 GB)	\$3.50

Fee Estimates. Upon request, the City will provide a summary of the applicable charges before copies are made and the requestor may revise the request to reduce the number of copies.

Fee Waivers. No fee is charged for inspection of a public record or for locating a record. The PRA does not require cities to provide fee waivers for copies of documents. Fees may be waived if the records request is for a counter document, a collision report, police incident report, or the responsive records, in total, is 20 pages or less.

Deposits. Before beginning to make copies, the City may require a deposit of up to ten percent (10%) of the estimated costs of copying or scanning all the records selected by the requestor. The City may also require payment of the remainder of the copying/scanning costs before providing all the records, or the payment of the costs of copying/scanning an installment before providing that installment.

Costs of Mailing. If a requestor requests that records be mailed to them, the City may also charge actual costs of mailing, including the cost of the shipping container. When mailing public records, it is the City's standard practice to send them via Certified Mail to ensure that the records are received.

Payment. Payment may be made by cash, check, or money order made payable to the City of North Bend. Credit/debit cards are not accepted for payment of copies.

Use of Outside Vendor: The City is not required to copy/scan records at its own facilities. The City, at its discretion, can send the project to a commercial copying/scanning center and bill the requestor for the amount charged by the vendor. The City can arrange with the requestor to pay the vendor directly. The City cannot charge the default per page copying/scanning charge when its cost at a vendor is more or less than the default charge set forth herein.

4.16 Deposits for Copying Costs:

(a) Copying deposit. The City shall charge a deposit of up to ten percent of the reasonably estimated copying costs of an entire request, including a customized service charge, before beginning to copy the records. The City can require the payment of the deposit before copying an installment of the records or the entire request. The deposit applies to the records selected for

copying by the requestor, not all the records made available for inspection. The City may waive the deposit for small requests where the deposit might be only a few dollars. Any unused deposit must be refunded to the requestor. When copying is completed, the City shall require the payment of the remainder of the copying charges before providing the records.

(b) Copying charges for each installment. If the City provides records in installments, the City may charge and collect all applicable copying fees (not just the ten percent deposit) for each installment, unless the City is assessing a two-dollar flat fee. The City may agree to provide an installment without first receiving payment for that installment.

5. EXEMPTIONS

The Act provides that a number of records are exempt from public inspection and copying. In addition, documents are exempt from disclosure if any "other statute" exempts or prohibits disclosure. Additional statutes that may exempt public records from disclosure include but are not limited to the following statutes referenced in Exhibit A attached hereto.

EXHIBIT A

RCWs

- RCW 2.64.111 Documents regarding discipline/retirement of judges RCW 2.64.113 Confidentiality- violations
- RCW 4.24.550 Information on sex offenders to public
