Meeting Date: April 28, 2022

Proponent: City of North Bend

Staff Recommendation: A Motion to recommend City Council approval of the proposed Ordinance adding NBMC Chapter 20.11 Termination of Land Use Applications.

I. Purpose of Proposed Municipal Code Amendments:

The City of North Bend is proposing adding North Bend Municipal Code Chapter 20.11 Termination of Land Use Applications for the process on applications that are abandoned, or when applicants are non-responsive.

II. Proposed Amendments

1. Chapter 20.11 Termination of Land Use Applications:

Section 1. New NBMC Chapter 20.11, Termination of Processing of Land Use Applications,

Adopted: A new North Bend Municipal Code Chapter 20.11, to be entitled “Termination of Processing of Land Use Applications,” is adopted to read as follows:

20.11.010 Termination of processing of land use applications

Applications for a development permit as defined by NBMC 20.01.002.C or a land development proposal as defined by NBMC 20.01.002.D (hereafter “Land Use Applications”) shall be closed and the City will terminate the processing of Land Use Applications when an applicant fails to submit additional information, revisions, or corrections as requested by the Department of Community Development (“Department”) within 180 calendar days from the date of the Department’s written request for additional information, revisions or corrections. The Director may extend the response period beyond 180 days if within that time period the applicant provides and subsequently adheres to a schedule approved by the Director setting forth deadlines for submitting complete revisions, corrections, or other requested information.

20.11.020 New application required

If the Director terminates the processing of a Land Use Application pursuant to NBMC 20.11.010, an applicant may reinitiate review by the Department only by submitting a new Land Use Application consistent with the provisions contained in the NBMC in effect at the time of resubmittal. Any new Land Use Application submitted pursuant to this Section shall vest to the NBMC in effect at the time of the new submittal.

IV. Impacts of Proposed Amendment

NBMC 20.08.070 and .080 requires that applications for municipal code amendments be evaluated for their environmental, economic, and cultural impacts, as well as impacts to surrounding properties. These impacts are evaluated below.

- 1) **Environmental Impacts.** No environmental impacts are anticipated from the amendment.
- 2) **Economic Impacts.** If a project is abandoned, the applicant will have to meet the requirements in place at time of re-application.
- 3) **Cultural Impacts.** No cultural impacts are anticipated from the amendments.
- 4) **Impacts to Surrounding Properties.** The proposed changes protect the integrity of surrounding uses by incorporating requirements equally.

V. Compatibility of Proposed Amendment with North Bend Comprehensive Plan (NBCP)

In accordance with NBMC 20.08.070 and .080, applications for municipal code amendments must be evaluated for compliance with the Comprehensive Plan. The proposed amendments are in compliance with the Comprehensive Plan.

VII. Planning Commission Findings and Analysis

Pursuant to NBMC 20.08.100, the Planning Commission shall consider the proposed amendment against the criteria in NBMC 20.08.100 (B). A staff analysis is provided in italics under each criterion below.

1. Is the issue already adequately addressed in the Comprehensive Plan?
The Comprehensive Plan does not address the proposed amendment.
2. If the issue is not addressed in the Comprehensive Plan, is there a need for the proposed change?
Yes. The proposed change protects projects from being vested without activity and a process for abandoned applications.
3. Is the proposed change the best means for meeting the identified public need?

Unknown. The proposed amendments clarify application requirements.

4. Will the proposed change result in a net benefit to the community?

Yes. The proposed codes amendments ensure projects meet required vesting at time of re-application if an applicant is non-responsive on initial review.

VIII. Summary Findings:

1. The Planning Commission considered the proposed amendments on the draft regulations at their April 28, 2022 meeting.
2. Following consideration of public comment received at the April 28, 2022 meeting, the Planning Commission voted to approve the draft amendments.
3. The proposed amendments are consistent with the procedures established in NBMC 20.08, *Comprehensive Plan and Development Regulations Amendment Procedures*. The Planning Commission finds that the proposed amendments are consistent with the criteria in NBMC 20.08.100(B) and would result in a net benefit to the community.

Staff Recommendation:

Based on the findings above and pending consideration of public input to be provided, staff recommends approval of the draft regulations as provided herein.
