NOTICE TO APPLICANT																																																
<p>It is the responsibility of the permittee to obtain the required inspections, including final inspection. Failure to obtain Eastside Fire & Rescue inspection and approval for any required inspections, and failure to obtain a final inspection and approval of the work performed, may invalidate this permit. This may necessitate the removal of some or all construction materials at the owners expense in order to perform the required inspections. In addition, this may require the re-submittal of the fire permit application and all related fees and expenses.</p> <p>This permit becomes void if the work or construction authorized by this permit is not commenced within 180 days of the issuance of this permit, or if work or construction is suspended or abandoned for 180 days at any time after work commenced.</p> <p>This permit is not valid unless all permit fees have been paid in full.</p> <p>All work shall be done in accordance with the approved plans except where such approval is in conflict with other codes. The approved plans shall not be changed or modified without the prior approval of Eastside Fire & Rescue Fire Marshall's Office.</p>
