126 E. Fourth St. - P.O. Box 896

North Bend, WA 98045

425 888-5633

<http://northbendwa.gov>

- Please submit a completed Floodplain Development Permit Fee Exempt or Habitat Assessment Exempt Project Application with appropriate Building Permit Application to the Department of Community & Economic Development, 126 E. Fourth St., North Bend, WA.
- For projects that do not require a building permit, submit a site plan showing the project location including all structures, property lines, waterways, critical areas, and floodplain and floodway boundaries.

The undersigned hereby makes application for a permit to develop in a designated Special Flood Hazard Area (SFHA). The work to be performed is described below. The Applicant agrees that all such work shall be done in accordance with the requirements of the North Bend Municipal Code 14.12, with all other applicable local, state and federal regulations, and with all necessary required federal and/or state permits and/or certifications attached.

<input type="checkbox"/> <b>Fee Exempt Floodplain Development Permit</b> Date: _____ Parcel # _____ Applicants Name: _____ Site Address: _____ City/State/Zip: _____ Telephone: _____ Email: _____ Associated Watercourse: _____	<input type="checkbox"/> <b>Habitat Assessment Exemption</b> Flood Zone: _____ Owners Name: _____ Owners Address: _____ City/State/Zip: _____ Telephone: _____ Email: _____
<b>A. DESCRIPTION OF WORK:</b> <input type="checkbox"/> Storage shed under 200 square feet <input type="checkbox"/> Electrical repairs <input type="checkbox"/> Furnace repairs or replacement <input type="checkbox"/> Water heater or boiler repairs or replacements <input type="checkbox"/> Air conditioner repairs or replacements, <input type="checkbox"/> Re-roofs <input type="checkbox"/> Miscellaneous Description _____ <input type="checkbox"/> Re-siding <input type="checkbox"/> Window and door replacement <input type="checkbox"/> Insulation or simple weatherization or energy efficiency upgrades <input type="checkbox"/> Roof-mounted or existing structure mounted solar collectors <input type="checkbox"/> Renovation or remodel project that costs less than \$750 and is entirely within the existing footprint of the structure	
<b>B. STRUCTURE UNDER 200 SQUARE FEET PLACEMENT CERTIFICATION:</b> 1. The structure complies with all setback requirements. 2. The structure is constructed of floodproof materials below the base flood elevation. 3. The structure is not within the floodway. 4. The structure is designed to allow for the automatic entry and exit of floodwaters and has proper openings: a) two openings on different walls, b) one square inch of opening per square foot of enclosed area, c) openings no more than 1-foot above grade. 5. The structure is designed and placed so as to offer the minimum resistance to floodwaters. 6. The structure is firmly anchored to prevent floatation. The applicant certifies the structure will be constructed in compliance with city regulations: Applicant Signature: _____
