Cancellations received after July 1 will receive no refund.

SET-UP

- It is important for vendor booths to be operational from 11:45 a.m. to 7:30 p.m. on Saturday, July 18.
- Vendors will have drive-in access from 8:30 a.m. to 11:00am for set up. Vehicles must be removed by 10:30 a.m. from event space. You will receive a load-in, load-out plan closer to the event.

Please drive in, unload, park your vehicle off-site and return to set up your booth. Failure to do so will result in back-up and will prevent other vendors from being able to drive down North Bend Way to unload their own supplies. Please share festival space!

TEAR-DOWN

- Vendors may begin tearing down at 7:30 p.m. but will not have drive-in access to booths until after the festival (11:00 p.m.).
- It is important for many reasons, including participant safety, that you do not tear down early. Tearing down early (before 7:30 p.m.) may result in your organization being immediately suspended from participating in future festivals. Your booth / food truck area must be fully removed of debris and supplies by 1:00 a.m. You may not, under any circumstances, leave any items / vehicles overnight.

PARKING: We ask that vendors park in one of two nearby lots:

- Park-and-Ride lot: 301 W North Bend Way
- Park-and-Ride lot: Next door to 247 E N Bend Way (Rio Bravo)

SECURITY: Downtown Block Party will provide reasonable security during the hours of Noon-11:00 p.m. but is not responsible for any loss of property.

PROPERTY

- It can be very windy in North Bend. Vendors are responsible for securing any tents or items that may fly away. Refunds will not be given because of wind.
- No littering
- Food vendors must pack out all gray water and other remaining garbage.
- Vendors who illegally dump gray water, food scraps, garbage, etc. down storm drains or anywhere else may be fined up to \$500, and will not be invited to participate in future festivals.

BOOTH LOGISTICS

- Vendors are required to provide a copy of liability insurance. You have the option to participate in NBDF insurance for a total cost of \$20. To participate in NBDF insurance, note below.
- The City of North Bend and the NBDF reserve the right to disqualify a vendor whose merchandise is inappropriate for the event or if the content, form and / or quality of the merchandise or message is not consistent with the information provided in the application. Prohibited items include but are not limited to: silly string, crazy foam, items of a sexual or violent nature, items that make a mess or damage property, and any illegal items.
- No vendor is guaranteed exclusive rights to sell certain products. However, all efforts are made by the City of North Bend and the NBDF to jury / monitor the products sold to maintain a good balance between supply and demand. It is vital that vendors accurately represent themselves and their items in the application to maintain this balance.
- Please note below if you plan to stay after 7:30 p.m. Vendors who commit to keeping booths open until festival close (11:00 p.m.) will be placed strategically closer to the center of the action, to avoid gaps in space, and to encourage further patronage as the event progresses into later hours.
- Efforts will be made to place returning vendors in the location you have requested (requests must be made in this application, by June 8, 2020), depending upon your planned take-down time, and in coordination with all other activities.
- Approved vendors receive booth space only and must provide your own tent and any furniture / displays. Vendors may not market wares outside of the boundaries of your booth.
- Vendors will receive a numbered booth location map prior to the event, to prepare for a smooth move-in.

NEW: LOCAL ARTISAN/CRAFTER

You create with your own hands the products you offer for sale at Block Party. To qualify as an Artisan/Crafter, a majority of the tools and equipment used to produce your products must require skill, personal handling and/or manipulation. Artisans/Crafters should incorporate materials grown or produced in Washington State as much as possible and create your art in Washington State only.

ELECTRICAL NEEDS

Electricity is available for limited use only. We will provide some 110-volt outlets (e.g. nominal standard outlets found in most homes), but the number is limited, and cannot be guaranteed to every vendor. In general, a small laptop, phone charger, or LED lighting can be plugged into these outlets. Vendors must provide their own commercial-grade extension cord to access electricity, and a safe means of coverage to remove tripping hazards. If you are a food vendor in need of a generator, we ask that you provide a quiet generator, in good condition, with a maximum of 55 dB9(A), to allow yourself and your neighbors to enjoy Block Party music! If you plan on using a generator, please specify that in your application. Noisy generators giving off an extensive amount of exhaust may be placed further away, as it may negatively affect neighboring vendors' experience.
