APRIL
2020

Striving to support a strong local economy and the unique character of the North Bend community.

A Message from Your Mayor, Rob McFarland

Now that we all have had weeks of mandated staying home due to the COVID-19 pandemic and have seen the entire world shaken economically and health-wise, as your Mayor, I am sharing with you some of what your City and the local community is doing to respond and take care of each other. These measures have become even more crucial as the directive for staying home has been extended.

We, as all of you, recognize the need to stay nimble to respond to the ever-evolving guidance from our health authorities and the governor's office.

First, let me reinforce the simple safety measures that we all at City Hall have been implementing. This includes

social distancing, working remotely, and telecommuting to keep our business and social bonds strong. We are also cleaning religiously and implementing other health measures to help us all adapt to the isolation and changed daily routine. While City Hall is closed to the public, we will continue to provide our citizens with essential functions such as water, sewer, wastewater treatment and necessary street work.

Our City website includes links to business assistance, unemployment benefits, medical facilities, orders from Governor Inslee, State, county and local resources; businesses that are still open and numerous resources to help individuals and businesses cope with the challenges that this economy and pandemic bring.

Our City will suspend shutoffs and late fees or penalties for City utility customers who become delinquent due to financial hardships during COVID-19. We also offer online Utility Bill payment. Please check our website at www.northbendwa.gov often for updates.

We have closed all active facilities in the parks within the city limits to discourage the social contact that supports the spread of the virus. Our emergency partners, Snoqualmie/North Bend Police Department and Eastside Fire and Rescue continue to provide the same high level of service that you have come to expect.

We are pleased that our local grocery stores, pharmacies and hardware stores and other essential services have remained open, stocked and maintaining their great customer service. Many of our restaurants are offering pickup or delivery service. I encourage you to take advantage of that and, in the process, keep them going.

All of us will move into a change in how we communicate. The City is testing/using Zoom, MSFT Team Meetings, Go To Meetings, Skype and other software to keep our lines of communication and business open. Our City Administration and Councilmembers are communicating daily and assisting our community with conducting business that may include virtual City Council meetings conducted by telecommunications.

We are fortunate to live in a beautiful city with incredible natural surroundings that allows healthy social distancing as well as a tremendous community of folks to share it with. We at the City will continue to provide you with the best customer service we can and to respond to each challenge for services, goods or healthcare resources. During this time of fear and uncertainty, we are extremely humbled and encouraged by the strong show of support within our community and are confident that you will continue to help those in need with the spirit of hope that we always value.

Stay home, stay healthy,

Mayor Rob McFarland

Local Entrepreneurs

"Do not sit still; start moving now. In the beginning, you may not go in the direction you want, but as long as you are moving, you are creating alternatives and possibilities." - Rodolfo Costa

Photos courtesy of Paul Li and Airy Han

A & P Barber

A&P Barber opened in Downtown North Bend in February, 2019! Owners Paul Li and Airy Han have been busy ever since, cutting hair at 112 Bendigo Boulevard North. Their work home is full of lots of natural light, with warm and inviting decor.

Hair cutting has been a part of the family for many years. Paul's mom, Bijia Wang, owns a popular barber shop in Downtown Snoqualmie, called Bijia's Just Cut, located at 8008 Railroad Avenue Southeast.

Paul and Airy's dream of opening their own barbershop in North Bend began years ago, when Bijia realized many of her customers were from North Bend. It made perfect sense for Paul and Airy to open their place in the heart of our small town.

Bijia's Just Cut and A&P Barber are both located in storefronts that have historically catered to hair. 8008 Railroad Avenue Southeast has been a barbershop for around 100 years, and 112 Bendigo Boulevard North was a barbershop throughout the 1930s and 1950s, with other businesses sprinkled in between. In fact, one of Paul's clients said he received his first hair cut at 112 Bendigo Boulevard North in the 1930s.

Hugh Reichenbach used the building to house his Farmer's Insurance company beginning in 1978, and the mixture of good timing and a great location now brings North Bend another well-loved barbershop. "It just feels right," said Paul. "I've always wanted to do this, and this building is perfect."

During the COVID-19 mandated "Stay Home, Stay Healthy" directive, A&P Barber will be closed. We look forward to a fresh opening soon!

Thank you for being a part of our community, A&P Barber!

North Bend's New Chowder Cafe

The Chowder Cafe opened in Downtown North Bend in March!

The Chowder Cafe is a to-go style, all organic food establishment, located in downtown North Bend at 301 West North Bend Way SE, Suite 104.

In addition to locally sourced salmon chowder, the Cafe offers soups, salads and sandwiches. The Chowder Cafe also serves organic dog treats.

During the COVID-19 mandated "Stay Home, Stay Healthy" directive, the Chowder Cafe is open for pick-up only, Monday through Saturday, 11:30 a.m. - 2 p.m.; 3 p.m. - 6:30 p.m.

Welcome to North Bend, Chowder Cafe!

Local Midwife and Philosopher Buy Twede's Cafe

Photos courtesy of Rachel and Max Spears

Snoqualmie Valley local, Rachel Bennett, MSM, and her husband, Max Spears, Ph.D, purchased the famous Twede's Cafe, located at 137 West North Bend Way, in February!

Rachel had been working at Twede's since December of 2018, and as fans of the series Twin Peaks, they jumped at the opportunity to take over the diner when they learned of the former owners' desires to retire and sell the business.

Although the timing was not ideal due to the ensuing coronavirus pandemic, as new business owners they have been facing these challenging times head-on.

Twede's has launched an online merchandise store for fans around the globe, online ordering for no-contact take-out, a GoFundMe campaign for their employees, and an increased presence online and within the community.

They have also taken this opportunity to make improvements around the diner so that when Twede's is back open for dine-in service, it will be better than ever! Twede's is open for pick-up Monday through Thursday 11 a.m. - 6 p.m. and Friday through Sunday 9 a.m. - 6 p.m., for online ordering visit www.ordertwedescfe.com and for merchandise or to purchase gift certificates, visit www.twedescafemerch.com. For information on the employee fundraiser visit Twede's Cafe on Facebook or Twitter.

Welcome, Rachel and Max!

Compass Outdoor Adventures Takes Us Indoors

Luke Talbot, owner of Compass Outdoor Adventures, changed gears when the COVID-19 pandemic hit North Bend. He turned his wealth of experience with corporate team building, being a teacher and an avid adventurer, and created a popular virtual indoor scavenger hunt.

"We built, marketed and deployed a virtual scavenger hunt for families safe at home in just 72 hours. We opened the game on Sunday and figured it would be a success if people had fun and got active and engaged. Close to 250 teams and 1000 people played that first game, and we were stoked," Luke wrote in his April 6 LinkedIn article.

Compass is also offering virtual corporate team building activities now.

Thank you for providing healthy engagement, Compass Team!

North Bend Theatre: Curbside Concessions and More

"While our theatre may be dark and we miss seeing everyone here, we have been doing our best to serve and entertain! So how does a movie theatre stay relevant during COVID-19? By connecting YOU with the movies and entertainment you want to see, and the movie popcorn and treats that make it memorable," said Beth Burrows, owner of the North Bend Theatre.

Here is what the North Bend Theatre is offering right now:

- * To-go popcorn and concessions for curbside delivery;
- * Online gift card sales for when they reopen;
- * Game livestreams with guest participation;
- * Sharing curated livestreams and independent films to go with take-home concessions;
- * Movie trivia on large popcorn bags;
- * Sunday free "new candy" giveaways;
- * Their marquee "Name That Movie" challenge with a one-word clue;
- * *Coming next week:* An activity sheet to keep everyone entertained.

"These are just a few of the things we've found that we can do to help entertain our community while staying safe and protecting our community," said Beth.

Thank you, for keeping the treats and entertainment flowing, NB Theatre!

A Letter From Your North Bend Downtown Foundation

Hello Fellow North Benders!

Everyone serving on the board of your North Bend Downtown Foundation firmly believes that we are ALL going to come out on the other end of this virus stronger as a community.

We have been inspired and enheartened by the support the community has given to our businesses and the support our businesses have given to our community and each other. The North Bend Downtown Foundation has been working diligently to support North Bend Businesses; promoting, communicating, and sharing in any way we can.

We could not have done this without many hours donated by our volunteer board members. This year, to support our fabulous businesses we felt we needed even more. Please allow us to take this opportunity to introduce you to Skyler Possert. Skyler is a talented, creative individual who will be supporting events, helping with communications, and promoting our wonderful businesses. He has already made a positive impact on the NBDF Facebook Page.

Skyler brings with him a talent for video and photography, experience with event planning and creative ideas on how to promote and support our businesses. As soon as we are able, we will be introducing Skyler to you in person. Please welcome Skyler, and his support to North Bend Businesses and the North Bend Downtown Foundation.

The Downtown Foundation board is lucky to also welcome two new board members, Erik Alston and Gaila Gutierrez.

Erik is the owner of Singletrack Cycles and an active cycling enthusiast. You have probably seen Erik out and about his downtown store helping customers or on one of his fun Facebook videos. I especially enjoy the "Why We Ride" series that Erik and his staff have created on their website www.stcycles.com. Erik brings a wealth of business savvy and tech knowledge to the board. When Erik is not on a bike, he likes to pick up a camera and explore the world through photography.

Gaila grew up here in beautiful North Bend and has served with multiple organizations that help small businesses. Currently Gaila is with the Kent Downtown Association and previously worked with the Downtown Issaquah Association. Gaila has not only a reservoir of experience to share with us but also a "roll up our sleeves" enthusiasm to get the job done! Did you know she also is involved in renovating a castle?

Please join us in welcoming Erik and Gaila. We are lucky to call these two extraordinary individuals board members. Our downtown will prosper from their involvement.

Sincerely,

Your Downtown Foundation

Beth Burrows, Erin Craver, Debra Landers, Nancy Wray, Craig Glazier, Mary Miller, Erik Alston, Gaila Gutierrez & Lucas Haines

Amid Historic COVID-19 Pandemic, Valley Community Perseveres; Steps Up to Help One Another

The COVID-19 pandemic has hit every business, non-profit, family, individual - even animals - in a different way. In the face of these obstacles, North Bend perseveres.

Fred Rogers is known for saying, "I am always comforted by realizing that there are still so many helpers - so many caring people in this world."

This is so true. And North Bend is full of them.

Ace Hardware donated hand sanitizer to the cities of North Bend, Snoqualmie, Snoqualmie Police Department and Eastside Fire & Rescue. *Thank you, Ace!*

Wildflower Bistro is donating Girl Scout cookies to Snoqualmie Valley Hospital, and bread to local organizations helping seniors. *Thank you, Wildflower!*

Mt. Si Family Dentistry donated 2,400 gloves and 300 masks to Snoqualmie Valley Hospital. *Thank you, Dr. McCoy and Dr. Deno!*

Jersey Mike's March 25th Day of Giving provided 100% of sales to local charity. *Thank you, Jersey*

The Snoqualmie Valley Moose Lodge made and delivered lunches to truck drivers in Truck Town with the help of QFC, Chevron and Blue Streak Chocolates. The Snoqualmie Valley Moose Riders continued the effort on April 9. *Thank you, Moose Lodge #1666!*

Nintendo donated over 9,500 N95 masks to Eastside Fire & Rescue. *Thank you, Nintendo!*

Pro Ski is offering a special donation / promotion: Buy a Scott goggle, and they will donate another on your behalf. They donated 10 on April 8. *Thank you Pro Ski!*

The Swirl donated a supply of pre-packaged froyo to the hardworking team at QFC. *Thank you, Swirl family!*

Photo courtesy of Mary Miller Photography

Love Snoqualmie Valley is announcing an important community need every week in April. During the week of April 5, the **Messa Group** matched the first \$200 donated toward their ask for help with the **Backpack Program**. This week, they are working with the **Mt. Si Senior Center** to help boost funds. *Thank you, Love Snoqualmie Valley and The Messa Group!*

QFC and **Safeway** are offering special shopping hours for seniors to shop, in their effort to protect vulnerable populations. *Thank you QFC and Safeway teams!*

Chinook Lumber donated ten (10) 3M Performance Respirators to Eastside Fire & Rescue. *Thank you, Chinook team!*

Encompass is working hard to continue providing resources to their Encompass families during this closure via online connections and outreach to local families. *Thank you, Encompass!*

Rio Bravo is offering discounts on their full menu to hardworking teams at Bartell Drugs and North Bend gas stations. *Thank you, Lira family!*

Compass Outdoor Adventures has offered free, virtual family scavenger hunts, which have proven to be very popular. These hunts have kept people at home, safe and truly engaged with each other. *Thank you, Compass team!*

The Trail Youth partnered with the **Snoqualmie Tribe** and **Snoqualmie Casino** to supplement the **Snoqualmie Valley School District's** meal program by providing meals for students during this week's Spring Break. *Thank you Trail Youth, Snoqualmie Casino and Snoqualmie Tribe!*

Mary Miller Photography began a community-wide photography project, titled "Project Alone-Together," where she captures images of a community following the "Stay Home, Stay Healthy" directive. *Thank you, Mary!*

Snoqualmie Valley Transportation created a bunch of "Power Packs," are offering free local delivery of food and prescriptions, and has called around 250 senior riders, doing wellness checks, and sharing **Love Snoqualmie Valley** online services with them as well. *Thank you, SVT!*

This by no means covers every "helping" business and organization in North Bend, or our Valley as a whole. Snoqualmie Valley consists of thousands of caring people, of small (and large) hardworking businesses and non-profit organizations.

Snoqualmie Police Department, Eastside Fire and Rescue, our various physical and mental therapy businesses and organizations, the **Masons, Mt. Si Senior Center, Snoqualmie Valley Shelter Services, Snoqualmie Valley Food Bank, Red Oak Retirement, Meadowbrook Urgent Care, Si View Metro Parks District, Snoqualmie Valley Kiwanis, Sno Valley Chamber of Commerce, the Snoqualmie Valley School District**, and of course the many organizations outside of our small town that are incredible helpers - **Rotary of Snoqualmie Valley and the Snoqualmie Valley Hospital** and the **Snoqualmie Valley Community Network**, and **Snoqualmie Valley Alliance** to name only a few.

Looking For More Ways To Help?

Here are a few community groups to connect with.

* **Snoqualmie Valley Shelter Services**
SVSS provides services to those experiencing homelessness by working with our community to provide emergency shelter, social services, and connections to permanent housing.
www.svshelterservices.org/covid-19-response-1

* **Snoqualmie Valley Food Bank**
The Snoqualmie Valley Food Bank provides food and key resources to help our neighbors and our community thrive.
www.snoqualmievalleyfoodbank.org

* **Snoqualmie Valley Hospital**
SVH is a valley hospital, providing healthcare for much of our community. They also re-opened their COVID-19 testing site on April 7. www.snoqualmiehospital.org

* **Mt. Si Senior Center**
Spring Into Action with Mt. Si Senior Center! May is national **Older Americans Month**, a time when we celebrate the contributions of our seniors who have helped to make our communities amazing places to live. This year is especially poignant because seniors are tucked away in their homes - in some ways even more invisible than ever.

CALLING ALL OF YOU: Please tell us what you are doing to support the senior citizens in your life! Mt. Si Senior Center is asking you to help celebrate seniors with a picture or a sign that tells the story and post it on your Facebook page with the hashtags **#SupportOurSeniors** or **#springintoaction** and tag **@Mt Si Senior Center**. This will coincide with a week of giving in their **Spring Into Action: Support Our Seniors** campaign May 15 through May 21.

Mt Si Senior Center is gratefully accepting donations at www.mtsiseniorcenter.org.

Business Resources

We are researching resources for you, our local businesses, with the intention of sharing helpful, actionable information. We are doing our best to learn and share information in this uncharted territory with our business community.

THE CARES ACT: PAYCHECK PROTECTION PROGRAM

The SBA's Paycheck Protection Program's announced today that it is "unable to accept new applications." And they are "unable to enroll new PPP lenders at this time." More information to come, as lawmakers are meeting today to discuss a package to replenish the program's funds (CNN). Read the full article at www.tinyurl.com/y84xj8tp.

GRANTS

Working WA Small Business Grant update: After receiving thousands of applications the first week of April, the Seattle Metropolitan Chamber of Commerce closed the King County application process. They evaluated the large volume of applications, modest amount of funds available (\$5 million), and limited capacity to process. They are moving forward, and there will be more information as it becomes available. They are reviewing applications that have already been submitted.

Facebook Small Business Grant Program: Facebook is now offering a grant program for small businesses! They are offering \$100 million in cash grants and ad credits to help. Check it out fast. Grants for small businesses are popping up, and getting used incredibly quickly right now. Visit www.facebook.com/business/boost/grants.

CITY OF NORTH BEND RESOURCES

Check out and sign up for the City of North Bend's new COVID-19 Emergency Alerts, at www.tinyurl.com/rlyvfm9.

Visit the City of North Bend's website for a constantly updated Open Business list, at www.tinyurl.com/razmzuy.

Visit the City of North Bend's Business Resource webpage often for updates: www.northbendwa.gov/282/COVID-19-Business-Resources.

UTILITIES - HELP

City of North Bend will suspend shutoffs and late fees / penalties for City utility customers who become delinquent due to financial hardships during COVID-19. Suspension includes service for potable water, storm water, and sewer for utility customers served by North Bend. Questions? Email utilities@northbendwa.gov.

Puget Sound Energy will not disconnect customers for non-payment during the "Stay Home, Stay Healthy" order. PSE is working with customers on payment plans and choosing a new bill due date. They have an energy assistance portal to facilitate access to funds available to income qualified customers. Read more, at www.pse.com/press-release/details/learn-about-our-covid-19-response-plan.

TRANSPORTATION FOR YOUR EMPLOYEES

Do your employees need a ride to work? Do you? Your Snoqualmie Valley Transportation still has you covered. Public transportation is among the essential services that are allowed to continue operating under Governor Jay Inslee's Stay Home, Stay Healthy order.

At this time, the SVT is continuing with regular operations and hours, except where stops are closed. Since Snoqualmie Casino has closed to the public, the routes scheduled to stop at that location will avoid the casino's main entrance, entering at the adjacent Crescent Market instead. Most trip fares on SVT buses are a suggested \$1 donation. All SVT buses are thoroughly cleaned twice a day. People who are sick are asked not to travel and all riders are asked to cover coughs and sneezes and to wash their hands frequently. For the latest updates and information, visit www.svtbus.org, or call (425) 888-7001.

Car Insurance: Check with your automobile insurance carrier. You may be due a discount, a credit or another type of assistance relating to car insurance. Read Insurance Commissioner Mike Kriedler's April 7 press release here: www.tinyurl.com/vyzz4rr

HOUSING ASSISTANCE, MENTAL HEALTH

United Way announced an expanded program of rental assistance that began April 10.

One month of rental assistance is being offered to people in King County struggling to pay rent due to the coronavirus.

Funds are available to King County residents impacted financially by COVID-19 and are behind on rent on a first come, first served basis. **United Way encourages you to apply as soon as possible.** You may apply if you:

- Live in King County, WA
- Are behind in rent
- Are economically impacted by COVID-19
- Have a current monthly household income that is below these amounts (50% of Area Median Income):

- o 1 Person: up to \$3,483
- o 2 Persons: up to \$3,983
- o 3 Persons: up to \$4,479
- o 4 Persons: up to \$4,975
- o 5 Persons: up to \$5,375
- o 6 Persons: up to \$5,775

If you meet these requirements, please fill out an online application at www.uwkc.org/renthelp or call 2-1-1 as soon as possible.

The Washington Recovery Health Line: The WRH offers an anonymous, confidential 24-hour help line for Washington State residents, an excellent resource to turn to during times like this, of uncertainty and stress. Call (866) 789-1511.

The NBDF Pays It Forward

The North Bend Downtown Foundation created a "pay it forward" incentive this month that will encourage our community to support your business.

So...the NBDF could purchase something from your business (you suggest the item). Examples include gift cards or specific food/beverage items. You would then gift these items to the first X number of customers who come to you within the allotted amount of the NBDF's purchase. AND, these customers are encouraged, but not required, to pay it forward and buy another of equal value for the next customer. Examples: Ten (10) \$40 gift certificates, 20 burritos, 20 burgers, 2 family meals valued at.... etc.

Next, the NBDF will purchase approximately \$400 of these items for you to gift to your customers. They will post about this campaign via Facebook to feature your business and encourage you to share it and post about it as well.

At this time they are able to offer this primarily to NBDF members, but have included restaurants too.

Please respond to NBDF board member, Debra Landers (landers.debra@gmail.com) with the following:

- Item, quantity (up to a total of \$400) to be promoted;
- Who/How/Contact information so the NBDF can purchase these times from your business;
- Information about how customers can obtain product (i.e. days/hours/availability etc.).

As of April 13, the NBDF has paid it forward to six local businesses!

These resources change daily, sometimes hourly.

The City of North Bend sends out updates about resources that could benefit your local business during this crisis. Interested? Email Bre Keveren: bkeveren@northbendwa.gov.

City Awarded Grant to Help Address Housing Affordability

The City of North Bend was awarded a \$50,000 grant from the State of Washington Department of Commerce as part of \$876,756 to assist 14 Washington communities in addressing housing affordability. Providing housing for North Bend's low-income residents is a top priority for City Council and administration.

The grant will fund costs associated with municipal code changes that will:

- 1.) Authorize at least one duplex, triplex, or courtyard apartment on each parcel in one or more zoning districts that permit single-family residences
- 2.) Create a new form based code for the downtown and North Bend Way, enabling better urban design along the main arterial and enabling compatible density and housing affordability in the downtown
- 3.) Create a new medium density zoning district for small lot and bungalow starter homes

These costs include staff time and consulting fees.

"We are also creating a missing middle medium density zoning district to allow for a variety of building types like condos, townhouses and small lot single family detached homes to meet the first time home buyer or constrained budget buyer's needs to be able to enter the housing ownership market," said Community Economic Development Director, Dave Miller.

The City of North Bend plans to enact these proposed zoning code changes as a catalyst to increase affordable housing.

"We have already been actively exploring ways to open our affordability options and increase density in the core areas of our city. The Complete Streets Ordinance will be in place to support requiring the City and developers to follow prescribed street and frontage standards. The form-based code would cover the areas around the right-of-way to create a product that is a pedestrian-friendly and affordable neighborhood," wrote Senior Long Range Planner, Jesse Reynolds, in the grant application.

North Bend Businesses Offering Services Right Now

Is your business open, but missing from our list? If so, email jgreen@northbendwa.gov to let us know. You can also find this list - with more details - online: www.northbendwa.gov/DocumentCenter/View/7530/North-Bend-Open-businesses-list
