

Let's Party!

Block Party fosters community pride and engagement, while providing an economic boost to our downtown businesses. One way it does so is by supporting the North Bend Downtown Foundation, a non-profit organization dedicated to supporting local revitalization, beautification and more.

"A small business is an amazing way to serve and leave an impact on the world you live in." - Nicole Snow

New to North Bend: Moon Motorcycles

Local residents Scott and Leslie Moon began their business in Issaquah, and this winter, moved Moon Motorcycles home, to North Bend.

These determined business owners moved their entire shop in February, during the Northwest's monumental Snowmageddon.

"Nothing like moving 80 motorcycles in three feet of snow," said Moon Motorcycles owner, Scott Moon.

Moon Motorcycles offers a wide array of used motocycles, independent service for many brands and accessories. Their new location is inside the old Chinook Lumber store, at 1204 Bendigo Way North. **Welcome, Moon Motorcycles!**

Coming Soon to North Bend: Volition Brewing

The Volition team is nearly complete with interior renovations and are very excited about how the space is turning out. "We've kept the historic nature of the interior while breathing new life into the design and infrastructure," said Lucas Haines. They are busy buttoning up the last few items so they can start producing North Bend's very first craft beers. "We can't wait to host all of our new friends and neighbors when we open our doors in a few weeks," he added. **Welcome, Volition Brewing!**

The NBDF Thanks Public Works

On July 11, the NBDF hosted a delicious lunch catered by Rio Bravo at the Public Works facility to thank the crews for all the work they do to make our city beautiful, safe, and fun for all. The Foundation recognizes and appreciates all the work both seen and unseen that goes on to make our city run smoothly. From street sweeping to lighting and signage the Public Works crew makes things happen. Additionally, they are wonderful partners when we hold events, helping with the set up and clean up, ensuring that roads are clear in a timely manner. We could not hold the fun events in town without a committed Public Works. These are our unsung heroes that quickly hear when things don't go well, but rarely hear the many, many things that go smoothly. Thank you for supporting our city!

**CALLING ALL
FOOD
ESTABLISHMENTS!**

Do you own or operate a food establishment in North Bend? Block Party & Legends Car Show will bring with them an estimated increase of over 4,000 visitors. Community feedback says our restaurants often run out of supplies or are closed during early morning and late night hours of these events. Legends Car Show will have hungry participants in search of a bite as early as 6:30am July 21. Block Party goers on July 20 may be equally hungry as late as 11:00pm!

Food establishments and their weekend hours will be included in a free advertisement to 400+ Car Show participants, plus advertised at Block Party. We hope that helps direct more foot traffic to you, and that you have a fun and successful weekend.

Education On Proposed TUP Changes

The Planning Commission and City Council are considering changes to the North Bend Municipal Code section addressing temporary uses. These amendments originated from existing business owners desire to extend the allowable time from 45 days to 120 days a year for temporary uses.

Temporary Uses cover many users, however one of the most well known users are food trucks. Food trucks would have additional criteria associated as well. As mentioned above, food trucks would be held to the 120 days a year, the exception would be if an existing business who is meeting the City's development requirements hosts it on their private property. In which case, a food truck would be allowed year-round. In downtown North Bend, there is an additional requirement that a food truck requires a brick and mortar establishment to sponsor them in order to locate in the downtown core. The full amendments can be found on the City website under Public Notices, or by visiting <https://northbendwa.gov/Archive.aspx?ADID=4427>

We're Moving!

New City Hall to Open Summer, 2019

North Bend's New City Hall will be opening in late July or early August, 2019.

Administrative and Community & Economic Development staff will be moving from our current offices to the new building at 920 SE Cedar Falls Way, next to the Public Works Building. We look forward to serving you in a centralized location!

We are planning a ribbon cutting ceremony starting at 4:30 p.m. on September 5.

Stay tuned for more details!

Park Street North Bend Way Roundabout Project

The Park Street - North Bend Way roundabout project began on June 24 and is anticipated to be completed by the end of October.

In 2018, the City was a recipient of a \$1 million grant toward this top-priority project. This year, the City received an additional \$250,000 grant for the project. This roundabout will improve public safety, reduce traffic congestion and improve downtown walkability.

If you have any questions about the project, please contact Tom Mohr, Interim Public Works Director at 425-888-7653 or email tmohr@northbendwa.gov.
