MEMORANDUM

City Administrator

To: City Council
From: David Miller AICP, City Administrator
Date: December 2, 2021
Subject: Joint SVSD Board/City Council Special Work Study

There will be no agenda packet materials for this Special Work Study requested by the City Council to discuss future planning for the SVSD school facilities serving North Bend and located in our city. The impetus for the meeting was the Capital Facilities Plan for the SVSD and the need to have the City adopt school impact fees at which time the issue of the lack of new school facilities in North Bend and the continued addition of portable buildings was raised. Although this is an open discussion between the SVSD Board and the City Council, a focus on future planning for updating existing schools in North Bend and how the City can participate in this discussion is a paramount issue.
