# Executive Summary

# 2023 City of North Bend Community Survey Executive Summary

## Purpose

ETC Institute administered a community survey for the City of North Bend in March and April of 2023. The survey was administered as part of the City's effort to assess citizen satisfaction with the quality of services. The information gathered from the survey will be used to help the City improve existing programs and services and help determine long-range planning and investment decisions. This is the first community survey ETC Institute has administered for the City of North Bend.

## Methodology

A five-page survey was mailed to a random sample of households in the City. The mailed survey included a postage-paid return envelope and a cover letter. The cover letter explained the purpose of the survey, encouraged residents to return their surveys in the mail, and provided a link to an online survey for those that preferred to complete the survey on the internet.

The goal was to receive at least 300 completed surveys. This goal was met, with a total of 347 households completing a survey. The results for the random sample of 347 households have a 95% level of confidence with a precision of at least  $\pm 5.2\%$ .

To understand how well services are being delivered in different areas of the Town, ETC Institute geocoded the home address of respondents to the survey. The map to the right shows the physical distribution of respondents to the survey based on the location of their home.

**Interpretation of “Don’t Know” Responses.** The percentage of “don’t know” responses has been excluded from many of the graphs in this report to assess satisfaction with residents who had used City services and to facilitate valid comparisons with other communities in the benchmarking analysis. Since the number of “don’t know” responses often reflects the utilization and awareness of City services, the percentage of “don’t know” responses has been included in the tabular data in Section 4 of this report. When the “don’t know” responses have been excluded, the text of this report will indicate that the responses have been excluded with the phrase “who had an opinion.”

# 2023 City of North Bend Community Survey

## Executive Summary

This report contains the following:

- a summary of the methodology for administering the survey and major findings
- charts showing the overall results of the survey (Section 1)
- benchmarking data that show how the results for the City of North Bend compare to survey results in other communities (Section 2)
- Importance-Satisfaction analysis that identifies priorities for investment (Section 3)
- tabular data showing the overall results for all questions on the survey (Section 4)
- a copy of the cover letter and survey instrument (Section 5)

### Community Livability

Most of the residents surveyed (90%) *who had an opinion* are “very satisfied” or “satisfied” with opportunities for recreation in North Bend. Other areas in which residents are “very satisfied” or “satisfied” include: quality of life (81%), as a place to raise children (79%), and feeling of safety in the City (76%).

### Satisfaction with City Services

The City services that had the highest levels of satisfaction, based upon the combined percentage of “very satisfied” and “satisfied” responses among residents who had an opinion, were: quality of fire, emergency medical and ambulance services (87%), quality of city parks and recreation programs and facilities (80%), and quality of police services (73%).

Based on the sum of their top three choices, the services that residents thought the City should prioritize over the next two years were: 1) effectiveness of city economic development efforts, 2) maintenance of city streets, and 3) quality of city parks and recreation programs and facilities.

### Satisfaction with Specific City Services

**Parks and Recreation.** The highest levels of satisfaction with parks and recreation services, based upon the combined percentage of “very satisfied” and “satisfied” responses among residents who had an opinion, were: trails and open spaces in the city (80%) and parks in the city (79%)

**Street Infrastructure Maintenance.** The highest levels of satisfaction with street infrastructure maintenance services, based upon the combined percentage of “very satisfied” and “satisfied” responses among residents who had an opinion, were: cleanliness of city streets and public areas (69%), mowing and trimming along city streets and other public areas (67%), maintenance of trees in public areas along city streets (64%), and condition of sidewalks in the city (53%).

# 2023 City of North Bend Community Survey

## Executive Summary

Based on the sum of their top three choices, the street infrastructure maintenance services that residents thought the City should prioritize over the next two years were: 1) removal of snow from major city streets, 2) maintenance of major city streets, and 3) maintenance of neighborhood streets.

**Transportation.** The highest levels of satisfaction with transportation services, based upon the combined percentage of “very satisfied” and “satisfied” responses among residents who had an opinion, were: feeling of safety when walking downtown (80%), pedestrian safety on the street where residents live (67%), and how easy it is for children to get to school (47%).

Based on the sum of their top three choices, the transportation services that residents thought the City should prioritize over the next two years were: 1) availability of retail parking downtown, 2) number of sidewalks in residential neighborhoods, and 3) feeling of safety when walking downtown.

**Planning, Growth and Development.** The highest levels of satisfaction with planning, growth and development in the city, based upon the combined percentage of “very satisfied” and “satisfied” responses among residents who had an opinion, were: appearance of residential neighborhoods (50%), quality of new development in the city (23%), and variety and number of businesses in downtown (22%).

Based on the sum of their top three choices, the planning, growth and development items that residents thought the City should prioritize over the next two years were: 1) how well the city is managing growth, 2) how well the city is planning for growth, and 3) variety and number of businesses in downtown.

**Communication and Engagement.** The highest levels of satisfaction with communication and engagement in the city, based upon the combined percentage of “very satisfied” and “satisfied” responses among residents who had an opinion, were: the city’s website (46%), communications on road closures and construction (45%), and timeliness of information provided by the city (41%).

Based on the sum of their top three choices, the communication and engagement items that residents thought the City should prioritize over the next two years were: 1) communications concerning development projects, 2) timeliness of information provided by the city, and 3) communications on road closures and construction.

**Customer Service.** Twenty-nine percent (29%) of respondents indicated they had contacted the City with a question, problem, or complaint during the past year. The departments/divisions that were contacted most by residents were Public Works – Streets and the City Hall Front Desk.

Of the 29% who contacted the city in the past year, the highest levels of satisfaction with customer service, based upon the combined percentage of “very satisfied” and “satisfied” responses among residents who had an opinion, were: how courteously they were treated (75%) and technical competence, knowledge of employees (68%).

# 2023 City of North Bend Community Survey

## Executive Summary

### Other Findings

- Over half (55%) of residents surveyed, *who had an opinion*, would like to see more than one hotel in North Bend. Of those, 70% would like to see a hotel near exit 31 (Bendigo Boulevard near I-90).
- Sixty-one percent (61%) of residents surveyed currently get news and information about city programs, services, and events through social media (e.g., Facebook, Twitter, Nextdoor). Other sources of information include: City website (34%), print mailings (32%), and the City Newsletter (City eNewsletter) (27%).

Based on the sum of their top two choices, the *preferred* sources of information about city programs, services and events were: 1) social media and 2) City Newsletter (City eNewsletter).

- Most residents (98%), *who had an opinion*, are “very supportive” or “somewhat supportive” of the city investing in preserving open spaces; 88% are “very supportive” or “somewhat supportive” of adding infrastructure to the downtown. These same items were the areas that residents thought the City should prioritize over the next two years, based on the sum of their top two choices.
- Thirty-eight percent (38%) of residents surveyed think North Bend is generally going in the right direction; 44% think the City is going in the wrong direction, and 18% did not have an opinion.

# 2023 City of North Bend Community Survey Executive Summary

## Investment Priorities

**Recommended Priorities for the Next Two Years.** In order to help the City identify investment priorities for the next two years, ETC Institute conducted an Importance-Satisfaction (I-S) analysis. This analysis examined the importance that residents placed on each City service and the level of satisfaction with each service. By identifying services of high importance and low satisfaction, the analysis identified which services will have the most impact on overall satisfaction with City services over the next two years. If the City wants to improve its overall satisfaction rating, the City should prioritize investments in services with the highest Importance-Satisfaction (I-S) ratings. Details regarding the methodology for the analysis are provided in the Section 3 of this report.

**Overall Priorities for City Services.** This analysis reviewed the importance of and satisfaction with categories of City services. This analysis was conducted to help set the overall priorities for the City. Based on the results of this analysis, the services that are recommended as the top priorities for investment over the next two years in order to raise the City's overall satisfaction rating are listed below:

- Effectiveness of city economic development efforts (I-S Rating = 0.4894)
- Maintenance of city streets (I-S Rating = 0.3269)

The table below shows the Importance-Satisfaction rating for all 8 categories of City services that were rated.

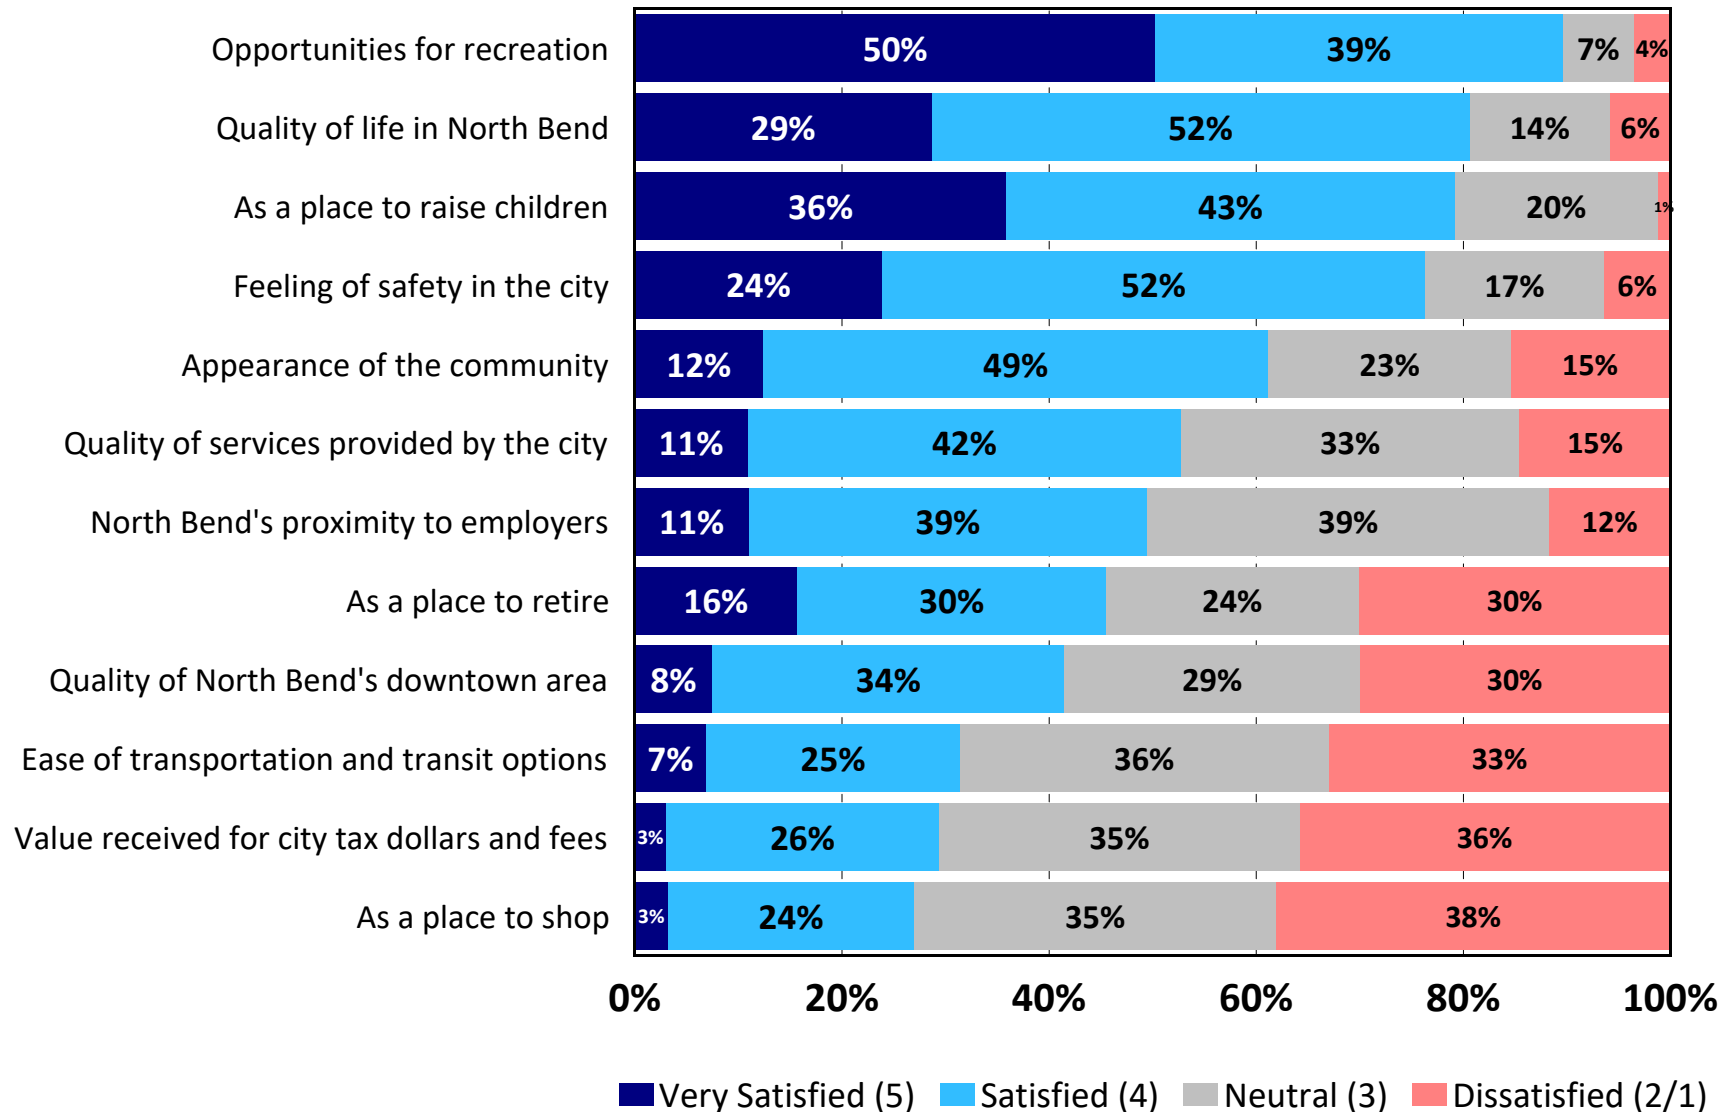

<b>Importance-Satisfaction Rating</b> <b>City of North Bend, WA</b> <b>City Services</b>						
Category of Service	Most Important %	Most Important Rank	Satisfaction %	Satisfaction Rank	Importance-Satisfaction Rating	I-S Rating Rank
<b><u>Very High Priority (IS &gt;.20)</u></b>						
Effectiveness of city economic development efforts	61%	1	20%	8	0.4894	1
Maintenance of city streets	60%	2	46%	5	0.3269	2
<b><u>High Priority (IS .10 - .20)</u></b>						
Effectiveness of city communication with public	34%	4	45%	6	0.1856	3
Enforcement of city codes and ordinances	17%	7	37%	7	0.1045	4
<b><u>Medium Priority (IS &lt;.10)</u></b>						
Quality of city parks & recreation programs/facilities	44%	3	80%	2	0.0858	5
Quality of police services	25%	5	73%	3	0.0676	6
Quality of customer service from city employees	11%	8	56%	4	0.0486	7
Quality of fire, emergency medical & ambulance services	19%	6	87%	1	0.0241	8

# Charts and Graphs

# Q1. Satisfaction with Community Livability

by percentage of respondents who rated the item as a 1 to 5 on a 5-point scale (excluding “don't know”)

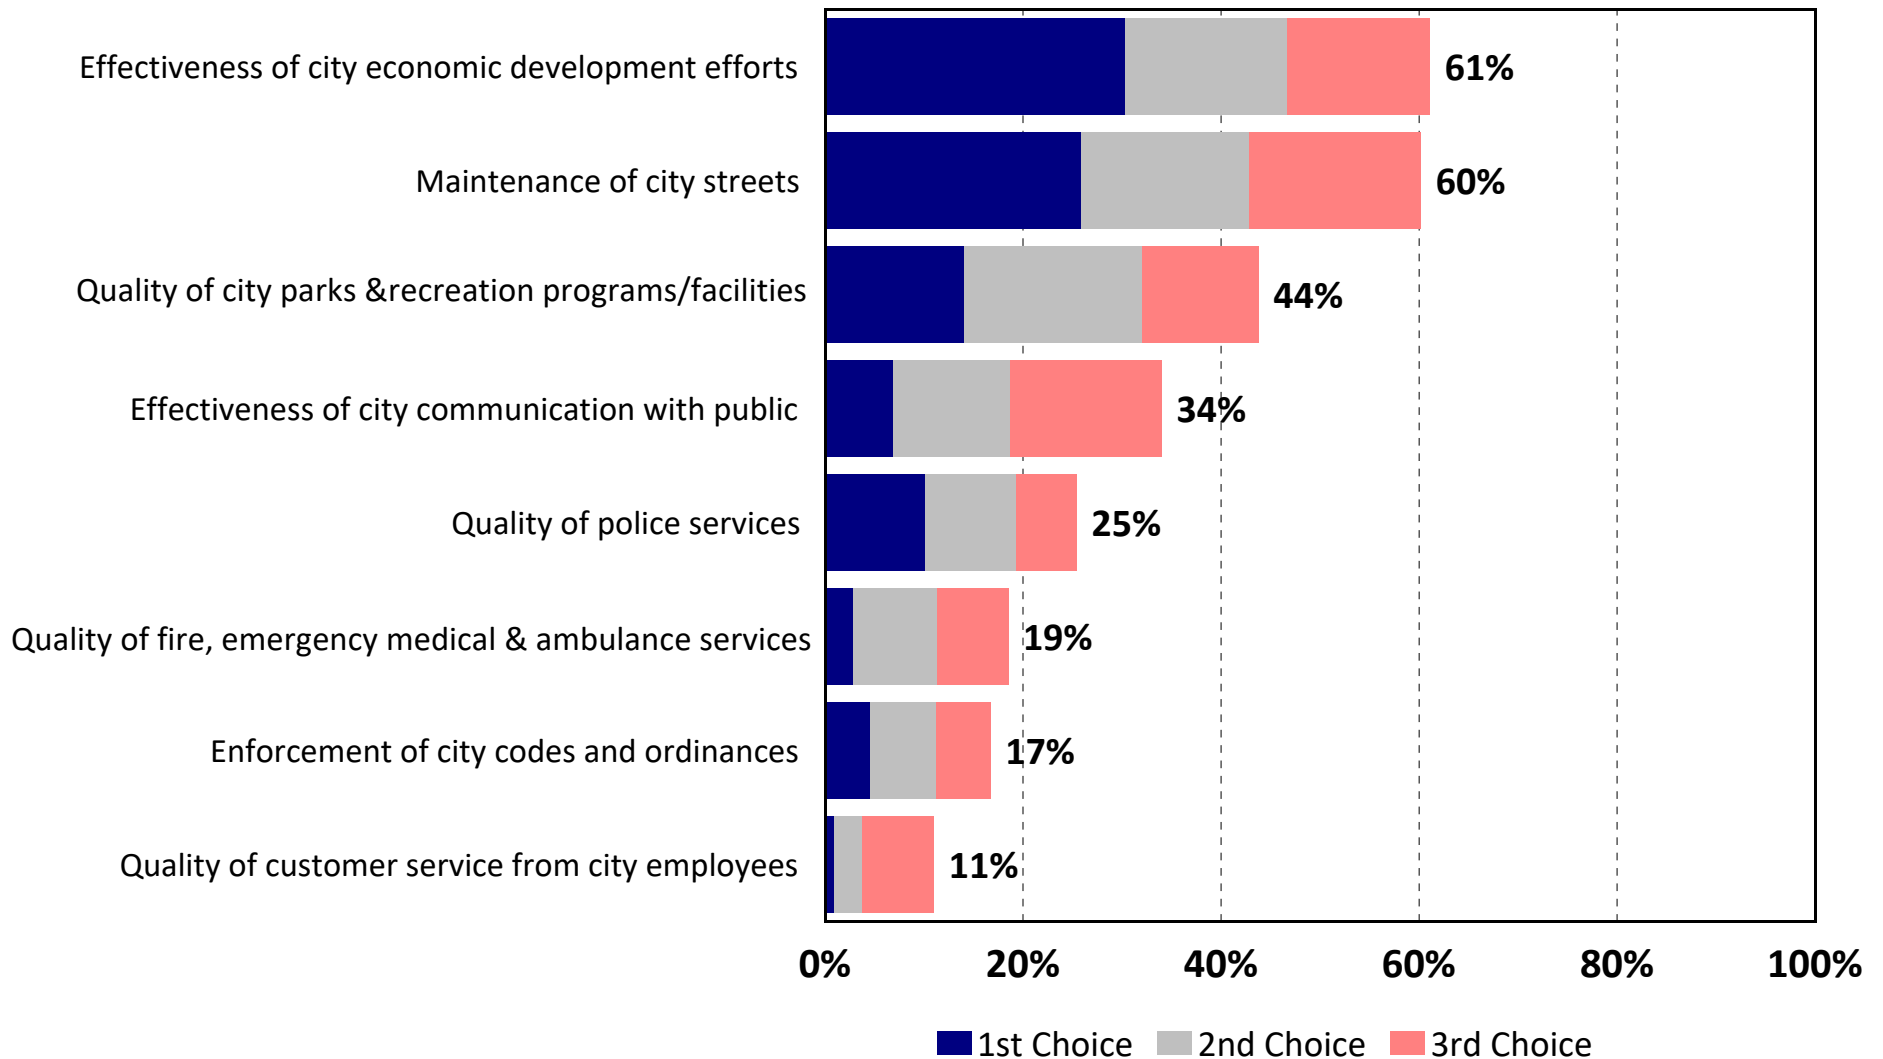

## Q2. Satisfaction with City Services in General

by percentage of respondents who rated the item as a 1 to 5 on a 5-point scale (excluding “don't know”)

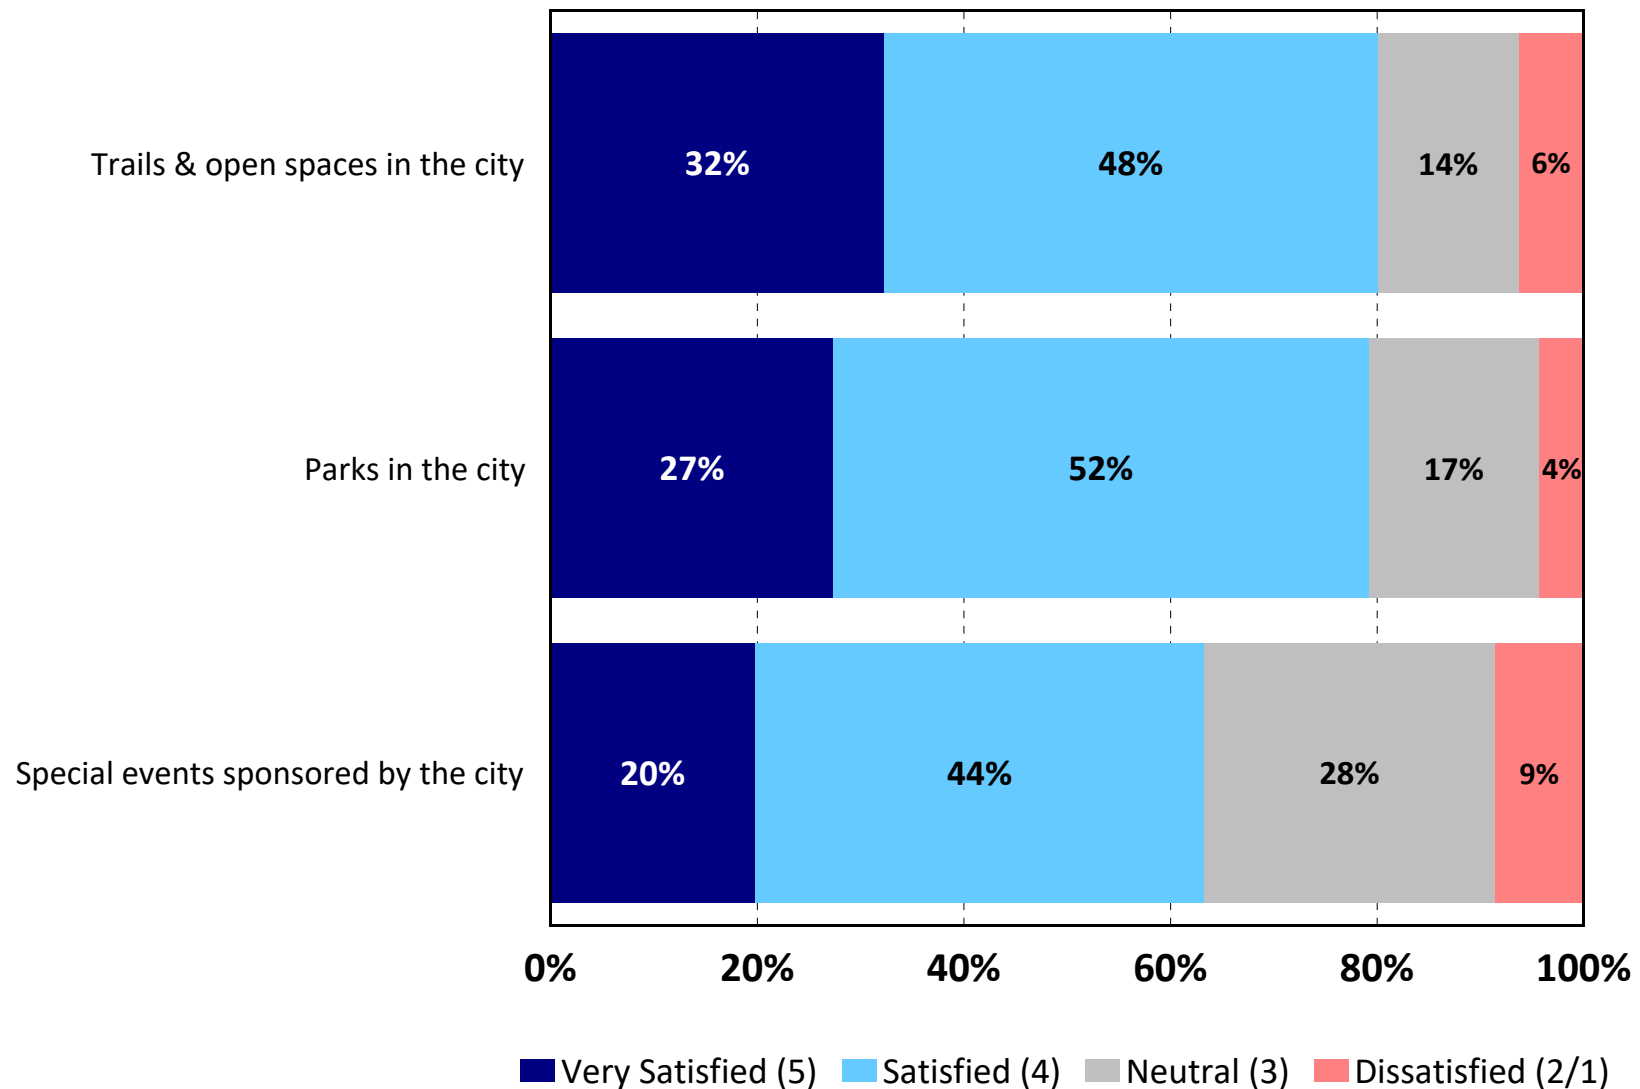

## Q3. Services That the City Should Prioritize Over the Next Two Years

by percentage of respondents who selected the item as one of their top three choices

## Q4. Satisfaction with Parks and Recreation

by percentage of respondents who rated the item as a 1 to 5 on a 5-point scale (excluding “don't know”)

## Q5. Satisfaction with Street Infrastructure Maintenance

by percentage of respondents who rated the item as a 1 to 5 on a 5-point scale (excluding “don't know”)

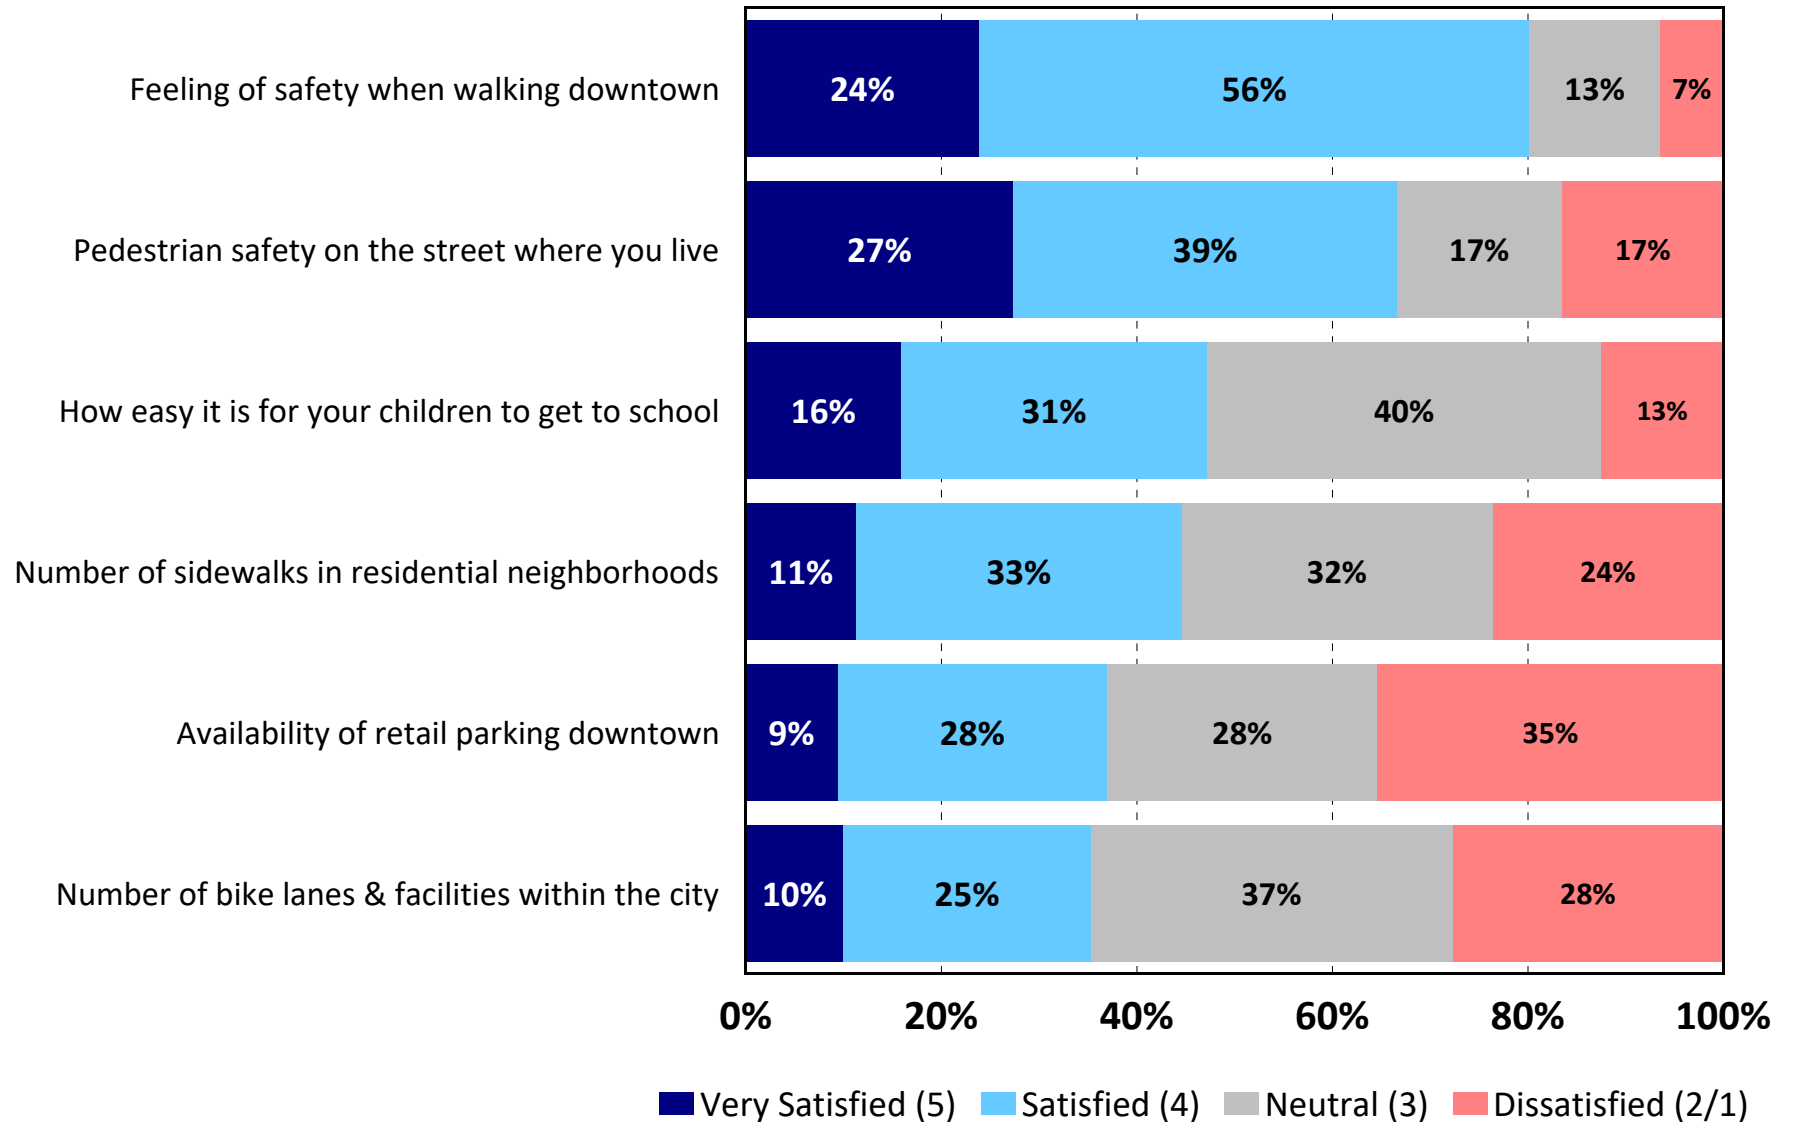

## Q6. Street Infrastructure Maintenance Services That the City Should Prioritize Over the Next Two Years

by percentage of respondents who selected the item as one of their top three choices

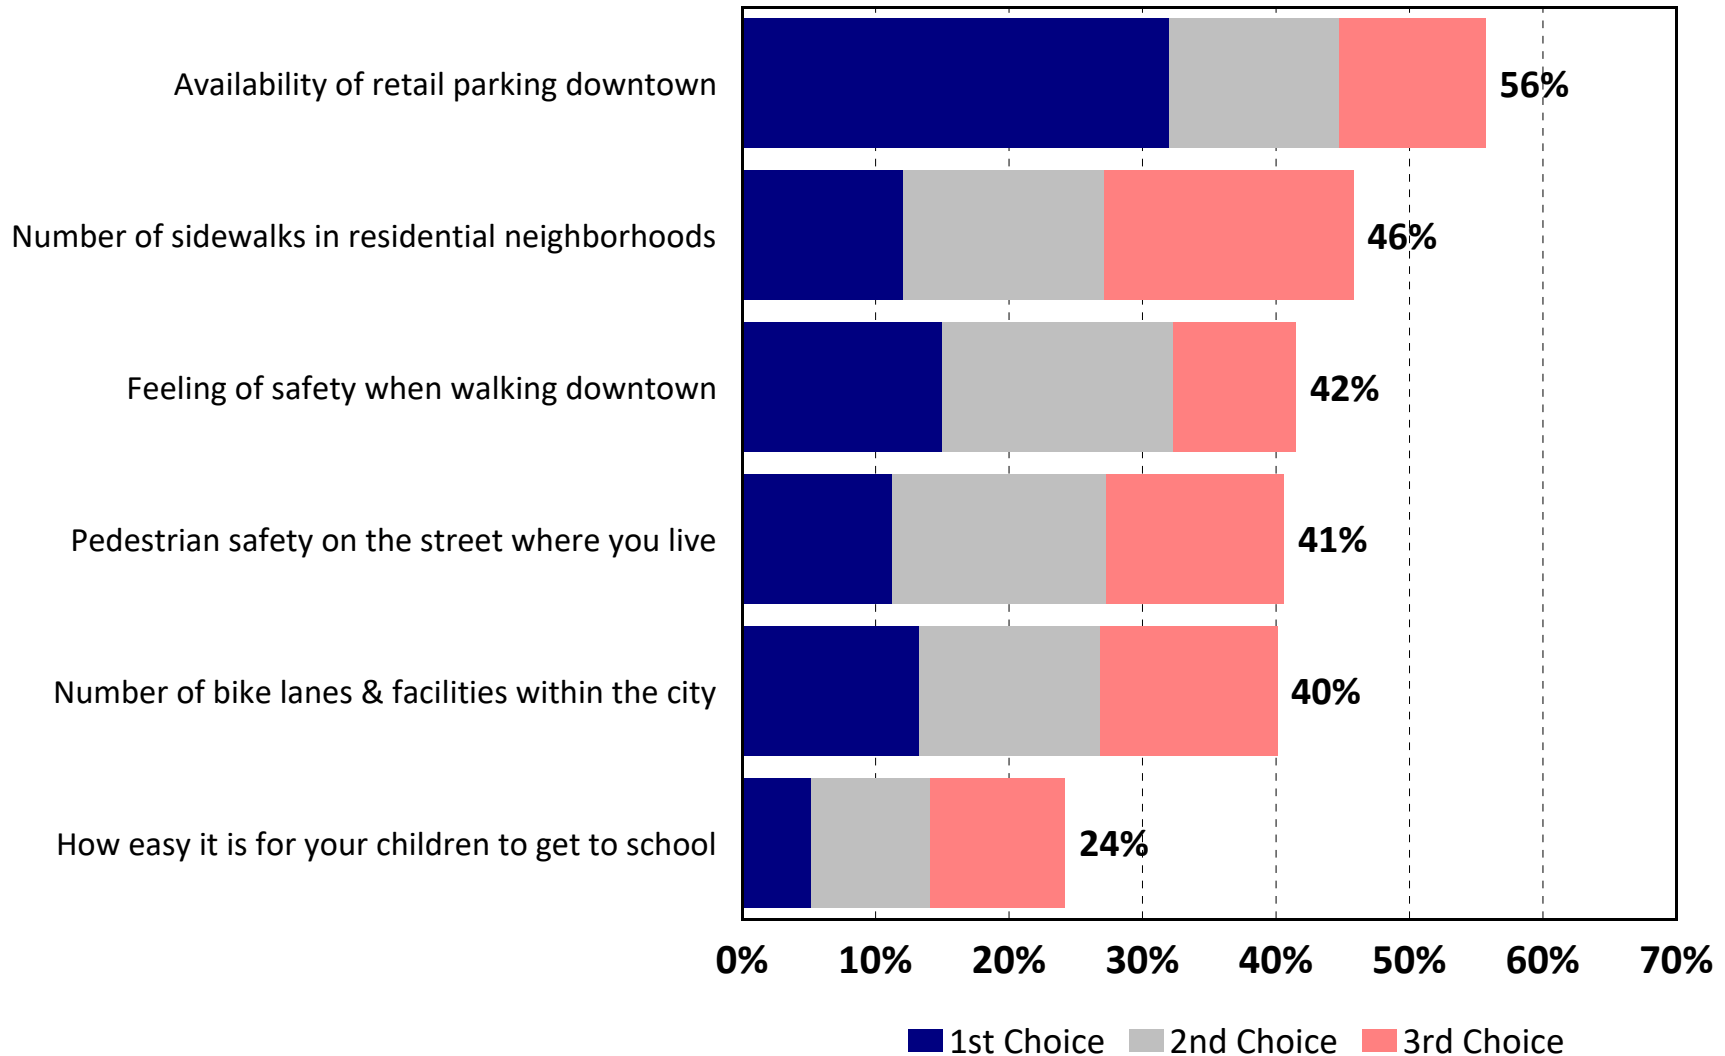

## Q7. Satisfaction with Transportation

by percentage of respondents who rated the item as a 1 to 5 on a 5-point scale (excluding “don't know”)

## Q8. Transportation Services That the City Should Prioritize Over the Next Two Years

by percentage of respondents who selected the item as one of their top three choices

## Q9. Satisfaction with Planning, Growth and Development

by percentage of respondents who rated the item as a 1 to 5 on a 5-point scale (excluding "don't know")

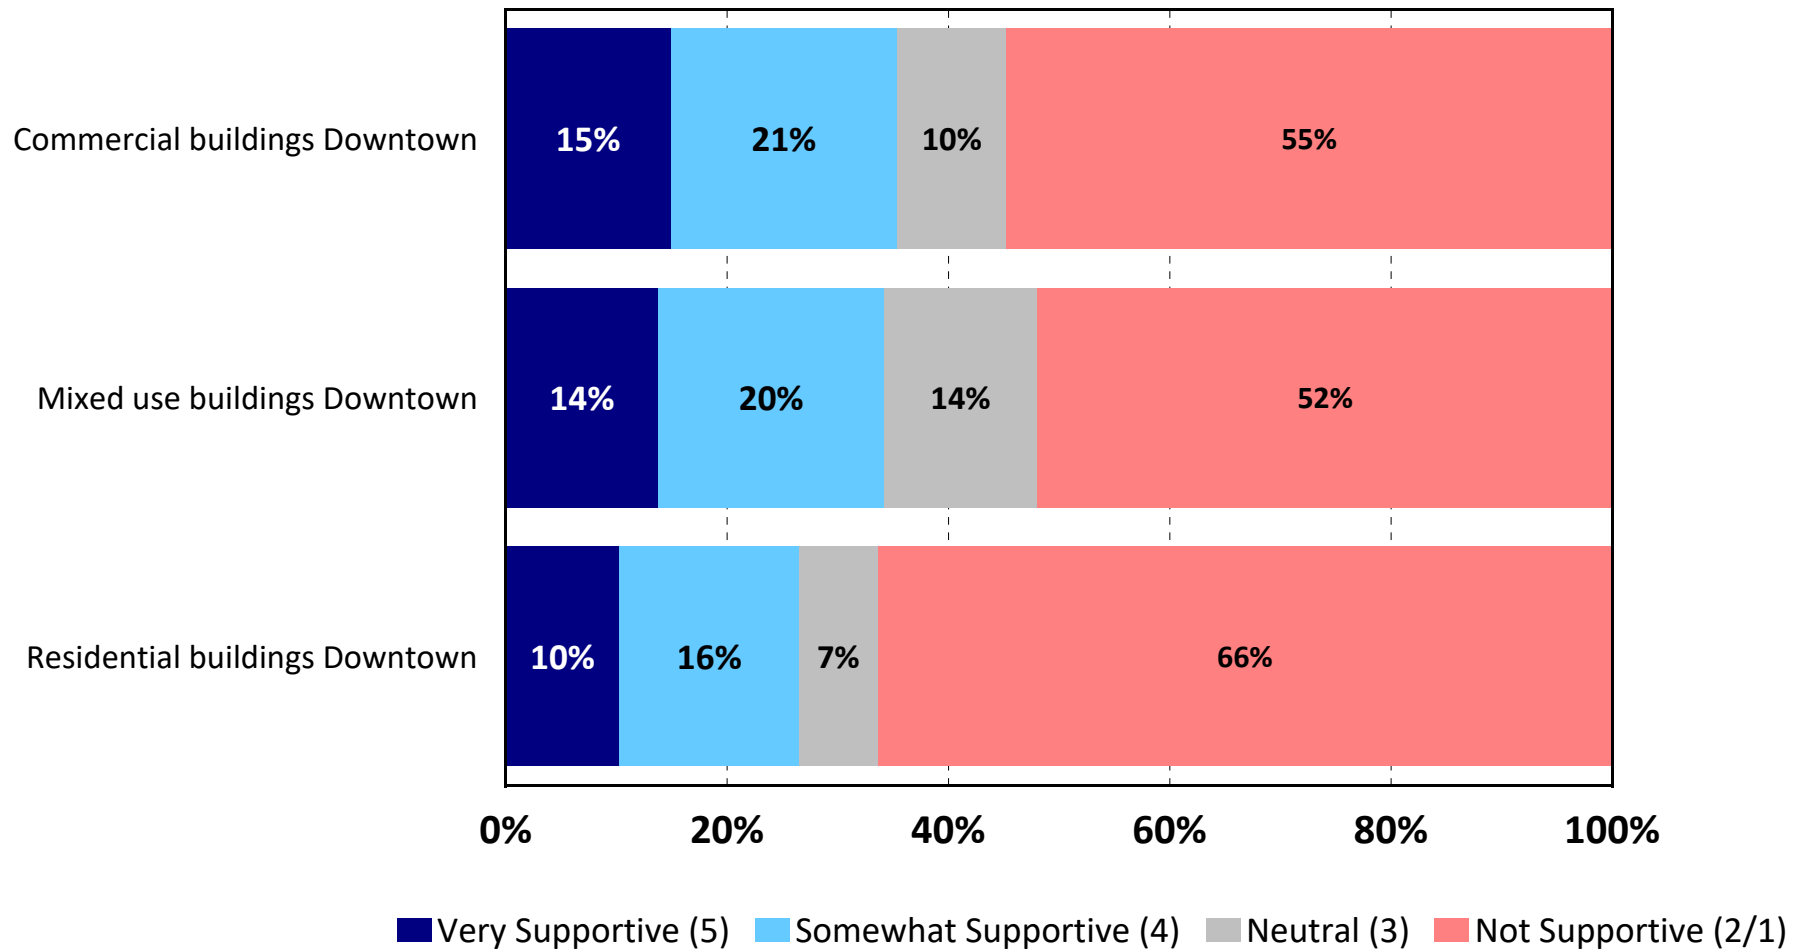

# Q10. Planning, Growth and Development Items That the City Should Prioritize Over the Next Two Years

by percentage of respondents who selected the item as one of their top three choices

## Q11. Level of Support for the City Amending Development Standards to Allow Increased Height for the Following Types of Buildings Downtown

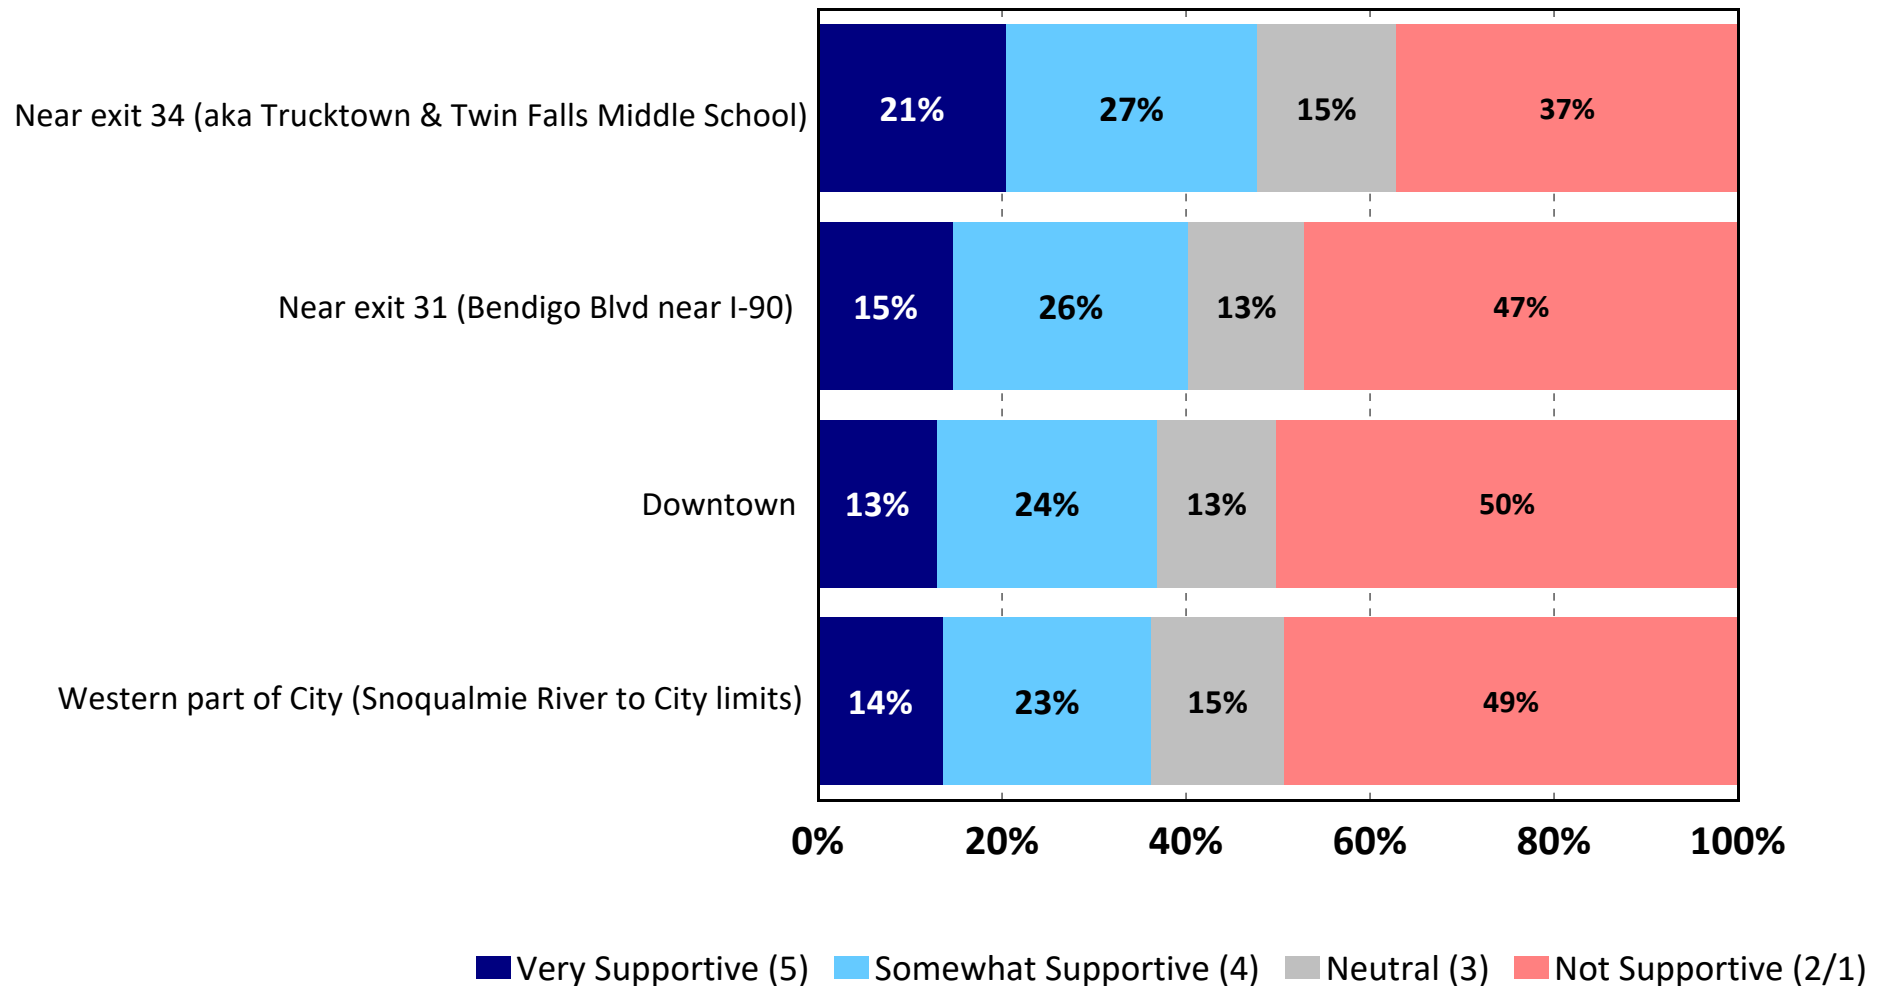

by percentage of respondents who rated the item as a 1 to 5 on a 5-point scale (excluding "don't know")

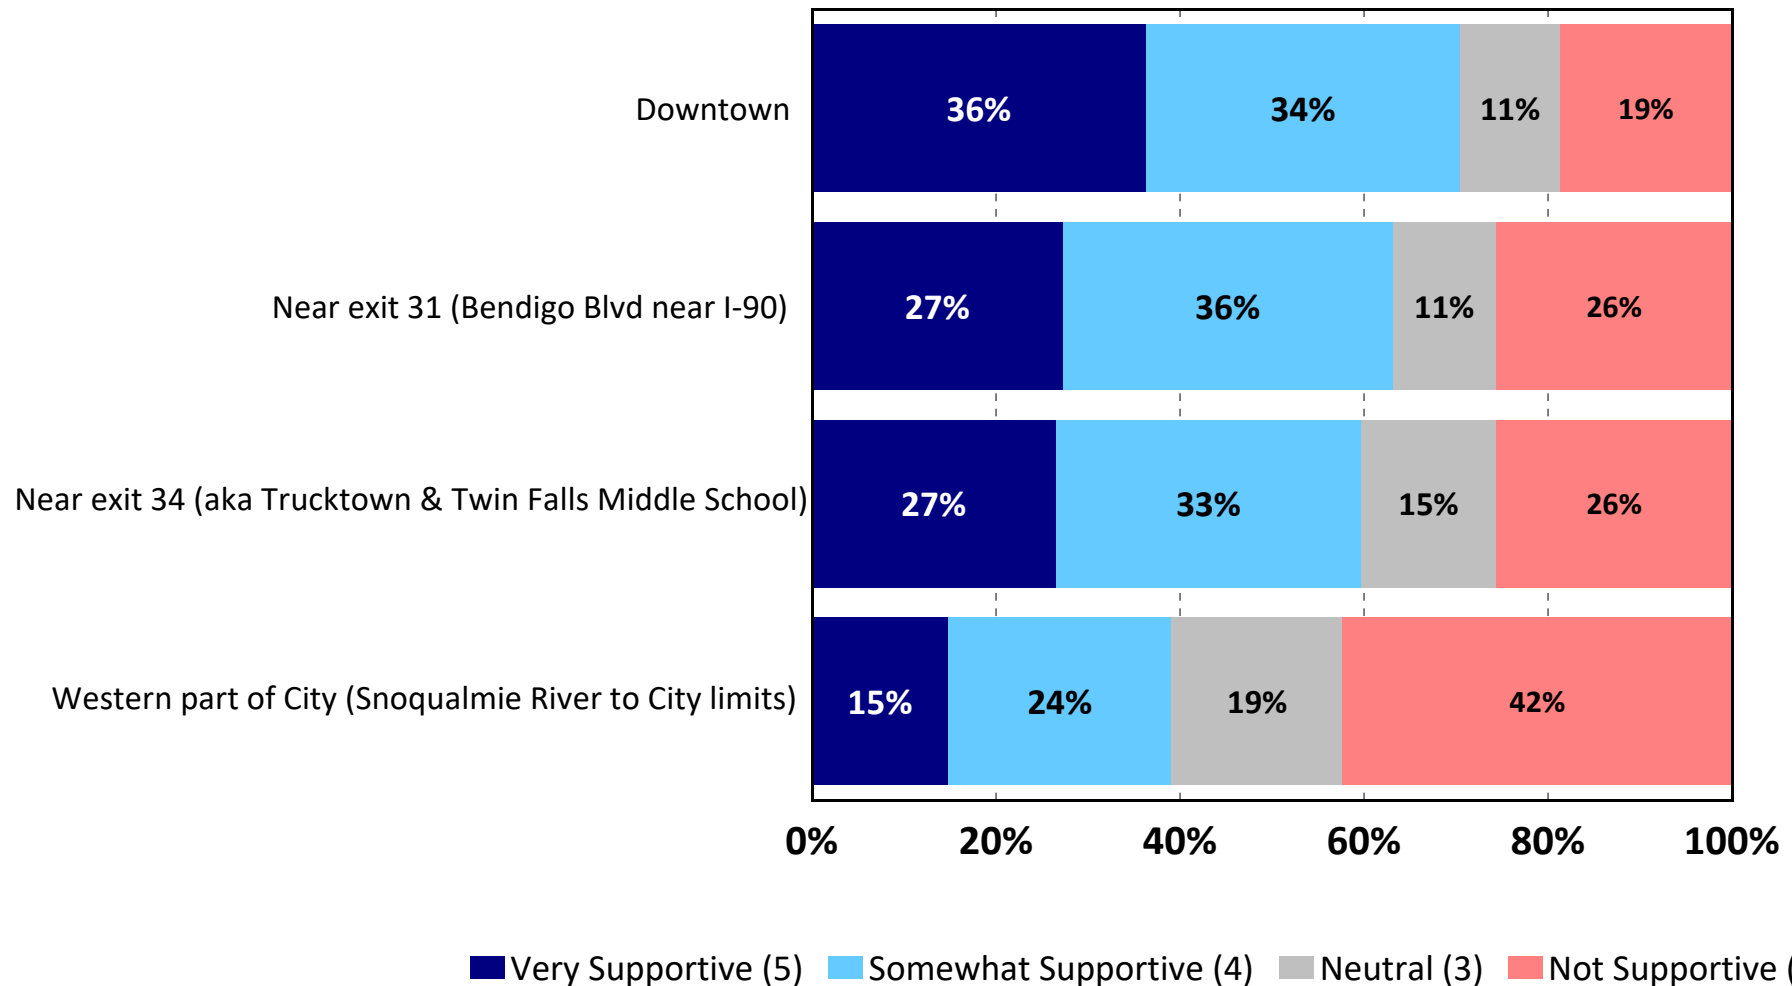

# Q12. Level of Support for Future Residential Growth in the Following Areas

by percentage of respondents who rated the item as a 1 to 5 on a 5-point scale (excluding "don't know")

# Q13. Level of Support for Future Commercial Growth in the Following Areas

by percentage of respondents who rated the item as a 1 to 5 on a 5-point scale (excluding "don't know")

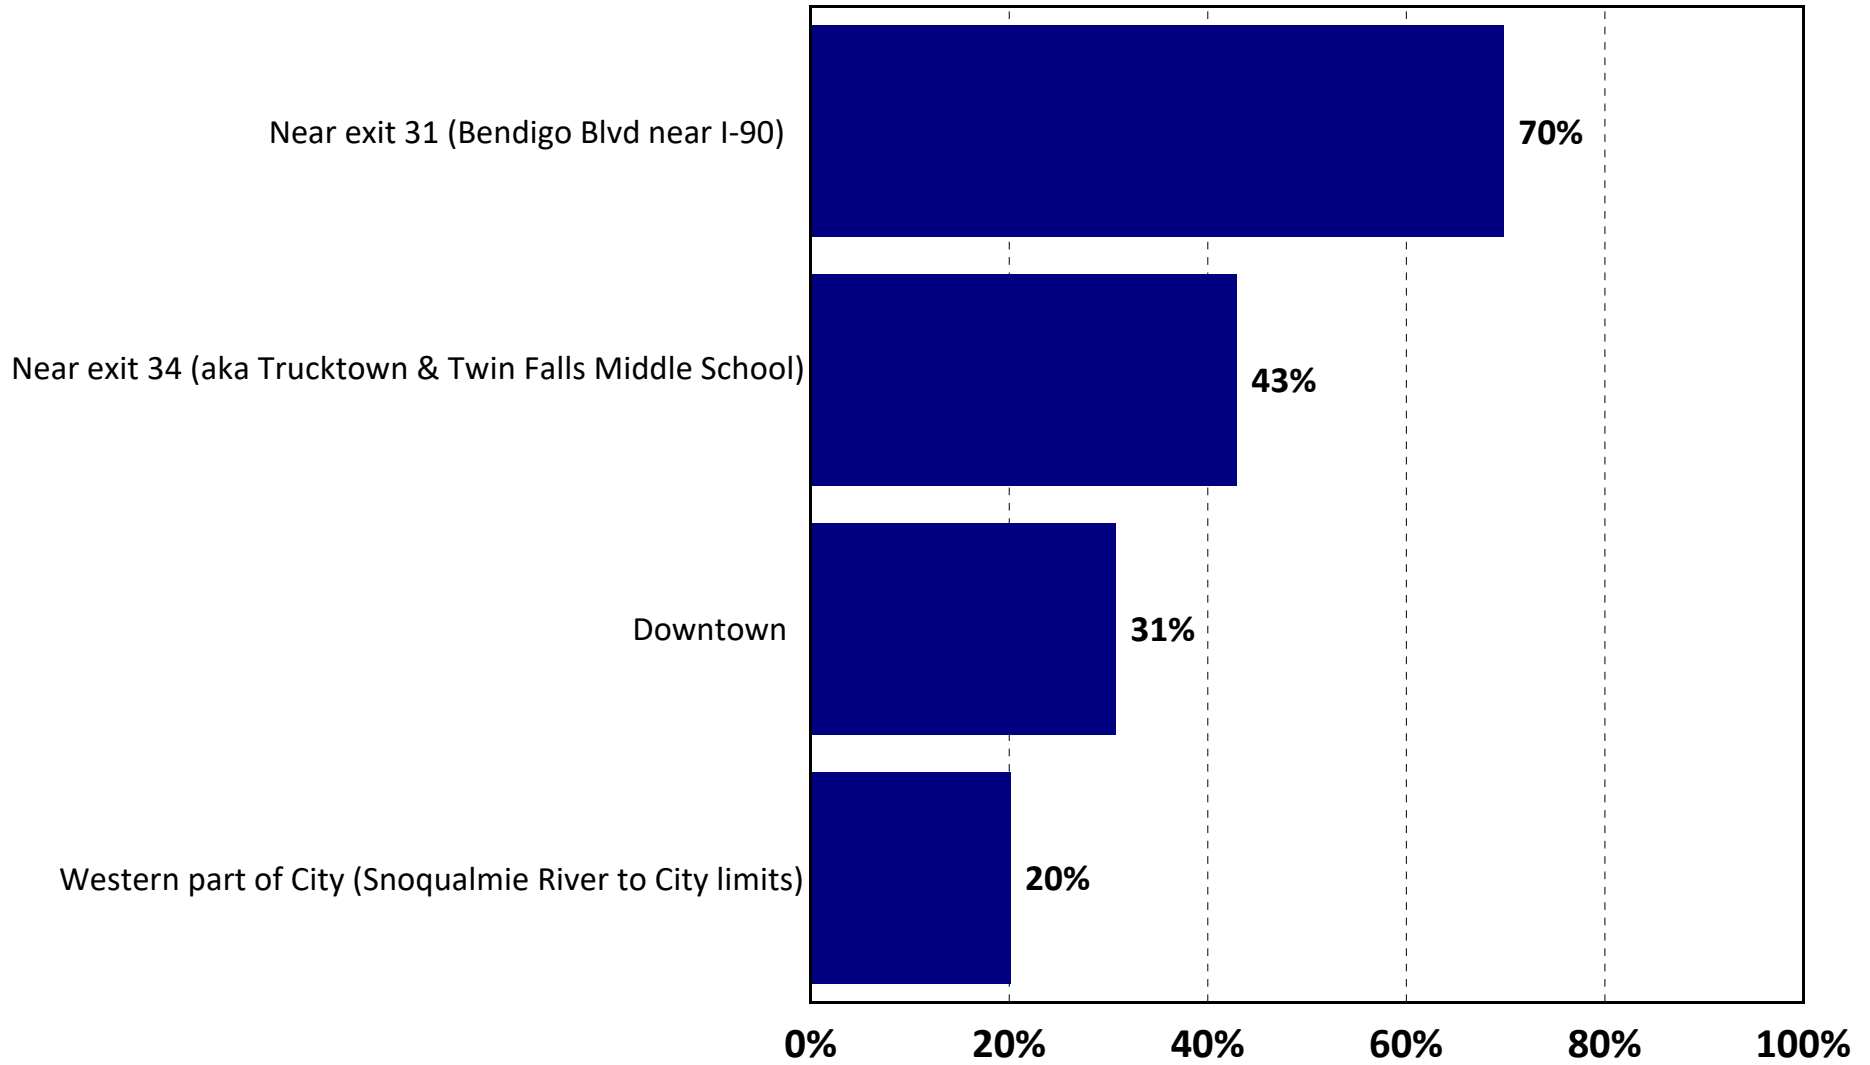

## Q14. Would you like to see more than one hotel in North Bend?

by percentage of respondents (excluding “not provided”)

## Q14a. Where would you like to see the hotel?

by percentage of respondents who answered “yes” to Q14 (multiple selections could be made)

# Q15. Satisfaction with Communication and Engagement

by percentage of respondents who rated the item as a 1 to 5 on a 5-point scale (excluding "don't know")

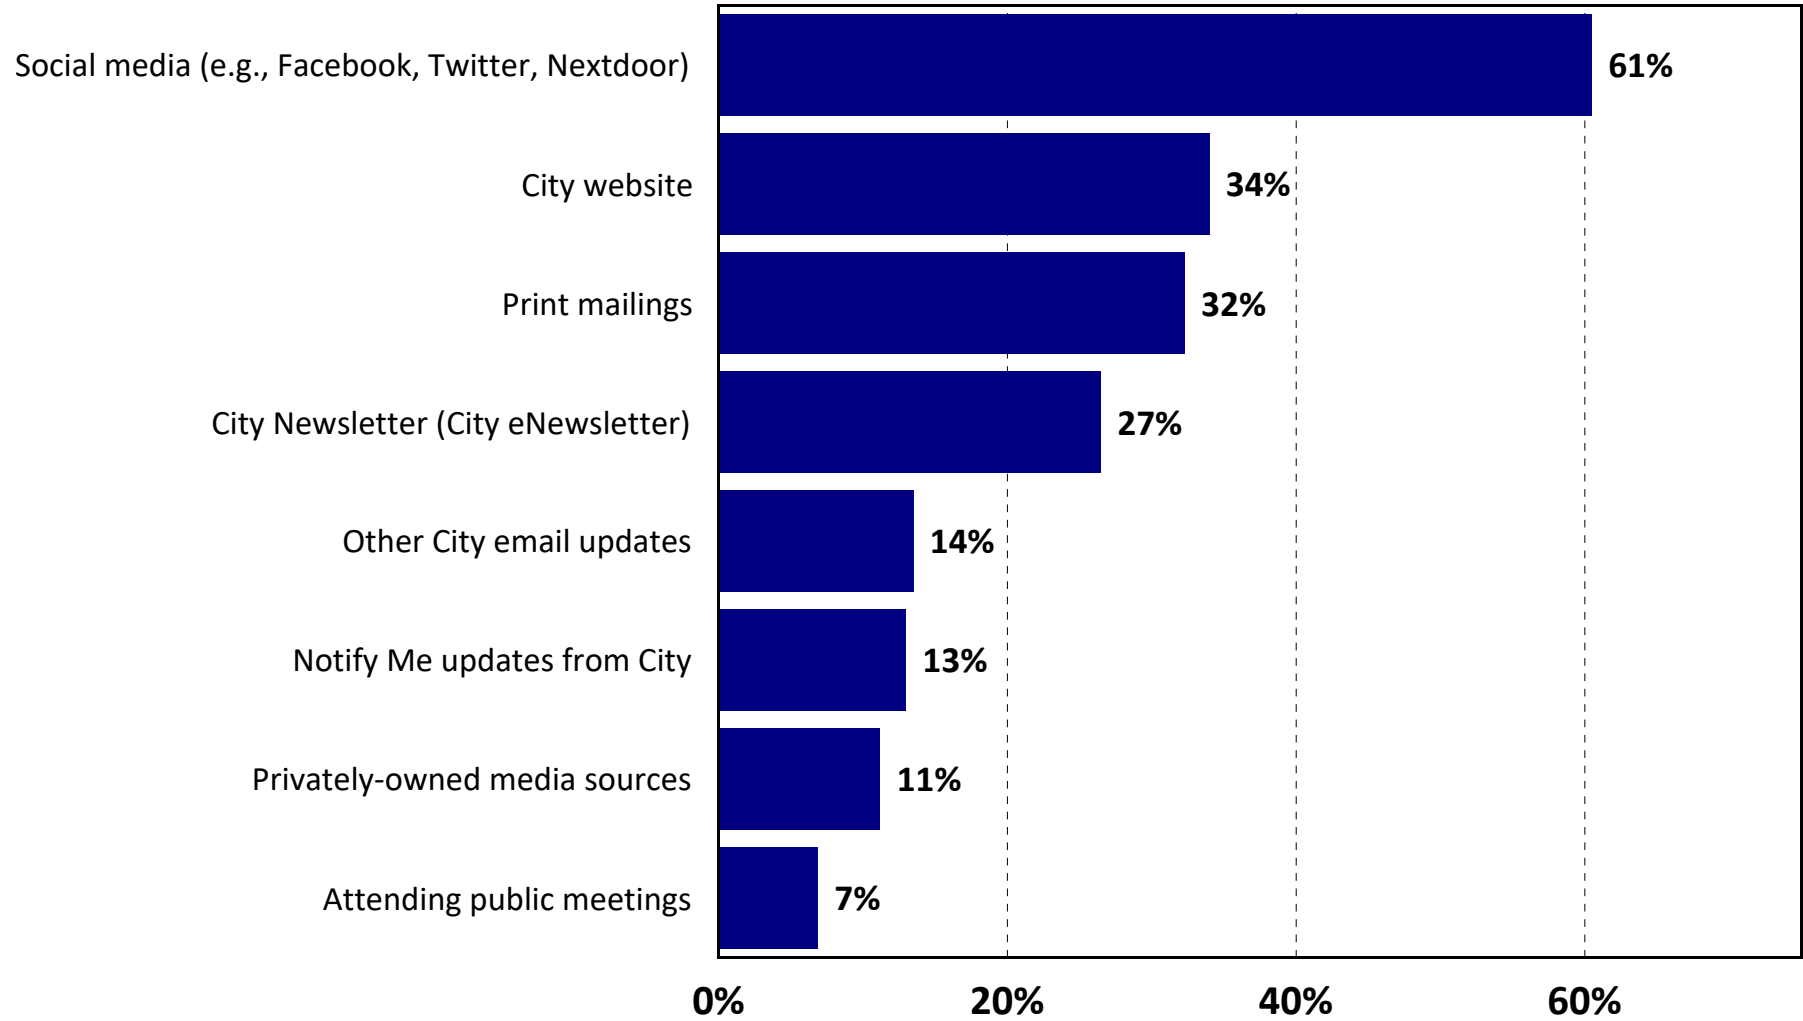

## Q16. Communication and Engagement Items That the City Should Prioritize Over the Next Two Years

by percentage of respondents who selected the item as one of their top three choices

# Q17. Where do you currently get news and information about city programs, services, and events?

by percentage of respondents (multiple selections could be made)

## Q18. Respondents' Preferred Sources of Information About City Programs, Services and Events

by percentage of respondents who selected the item as one of their top two choices

## Q19. Have you contacted the City with a question, problem, or complaint during the past year?

by percentage of respondents

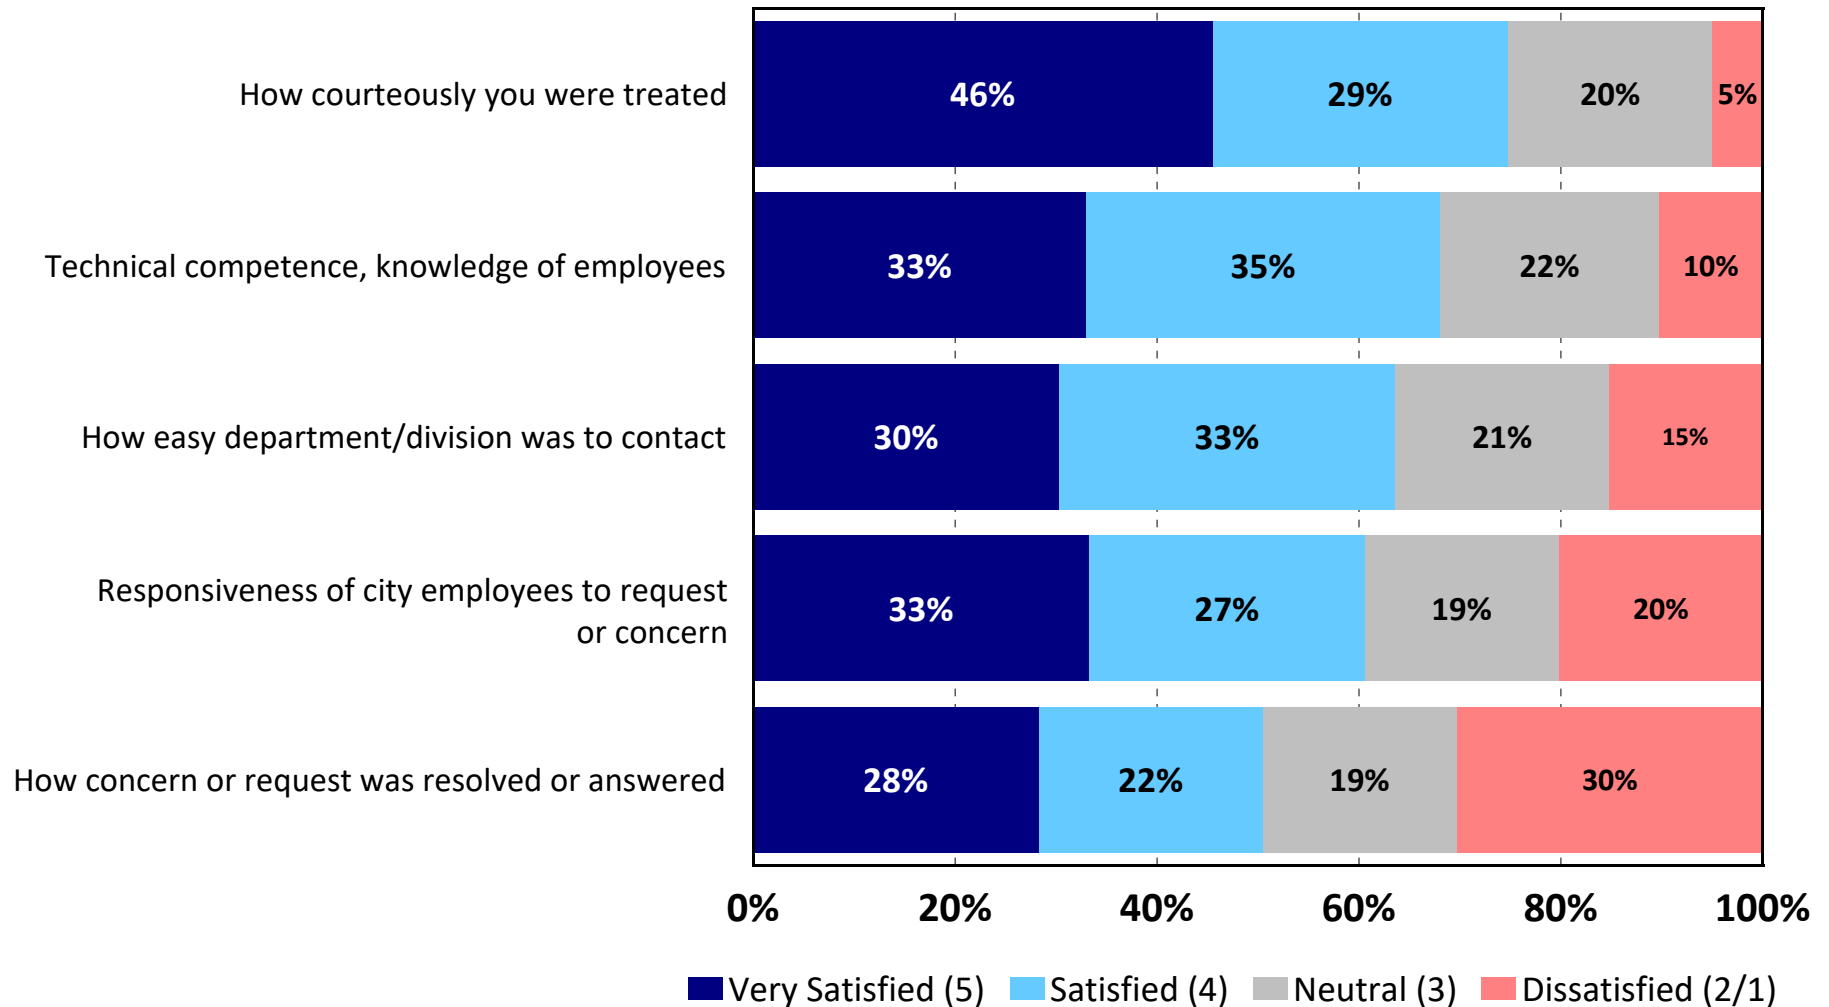

## Q19a. Which City departments or divisions did you contact most recently?

by percentage of respondents who answered “yes” to Q19 (multiple selections could be made)

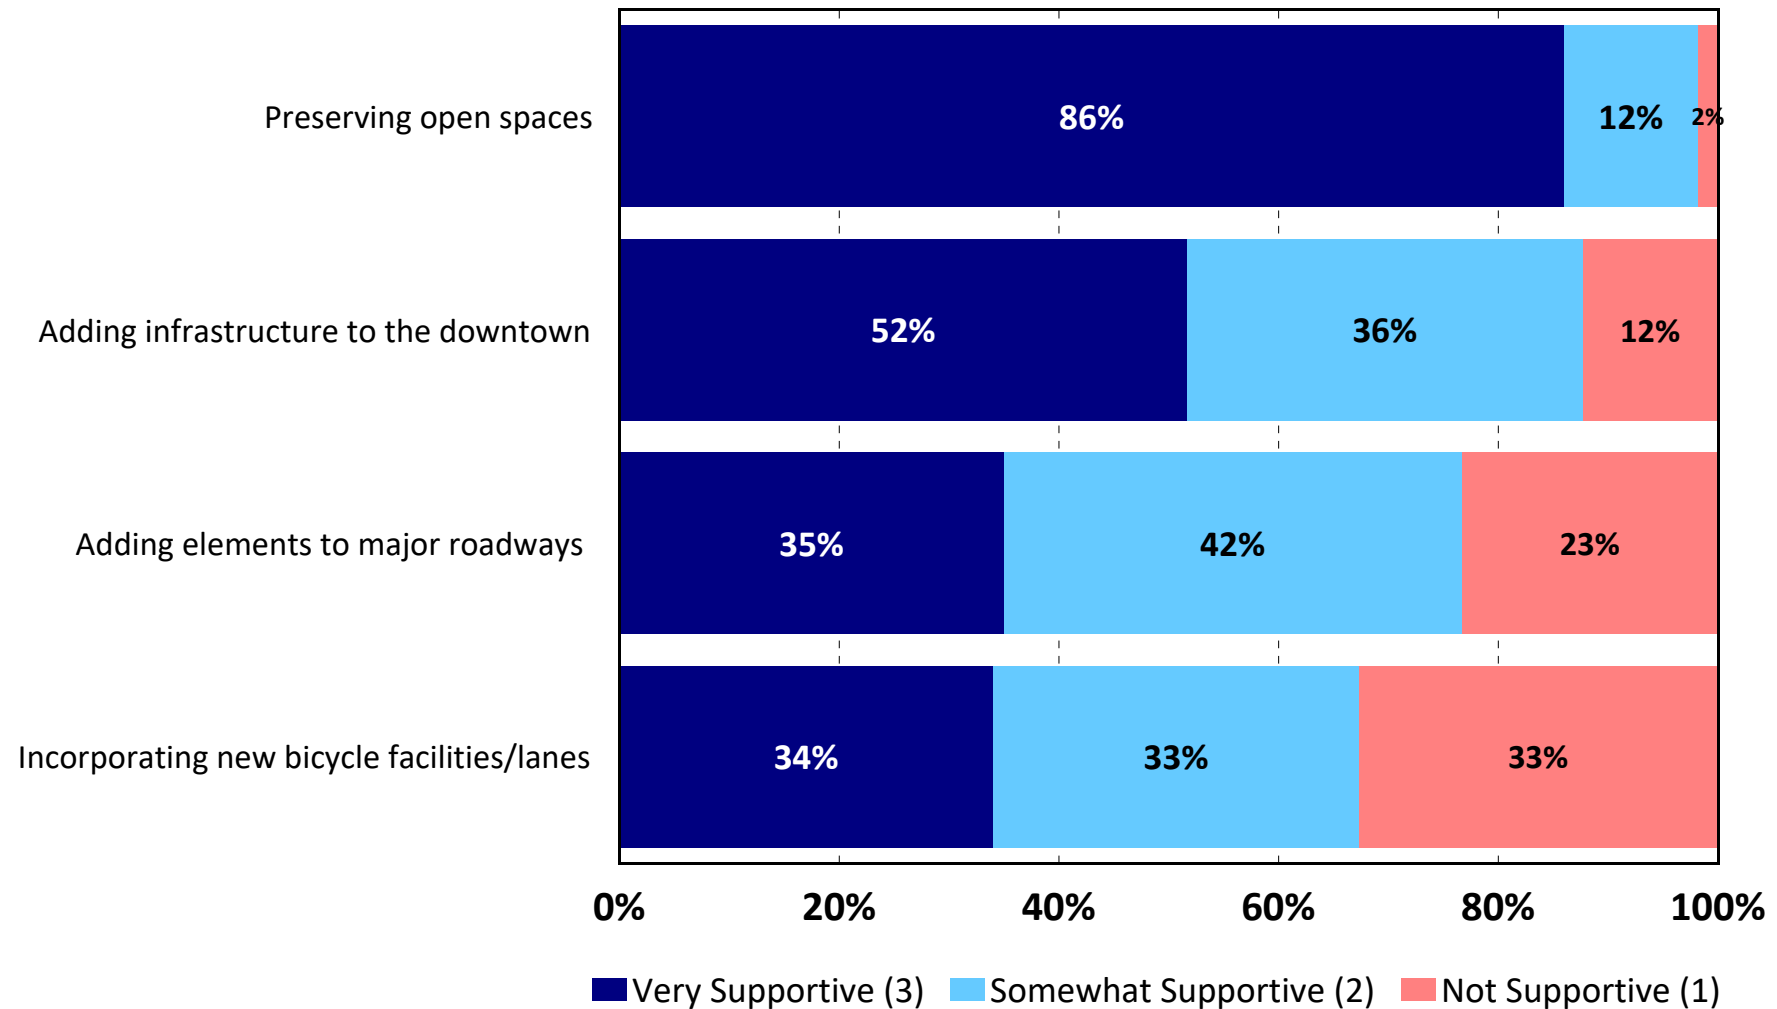

## Q19b. Satisfaction with Quality of Service from City Employees

by percentage of respondents who answered “yes” to Q19 and rated the item as a 1 to 5 on a 5-point scale  
(excluding “don't know”)

## Benchmarking Analysis

# Benchmarking Analysis

## Overview

ETC Institute's *DirectionFinder*® program was originally developed in 1999 to help community leaders use statistically-valid community survey data as a tool for making better decisions. Since November 1999, the survey has been administered in more than 500 cities and counties in 49 states. Most participating communities conduct the survey on an annual or biennial basis.

This report contains benchmarking data from two sources: (1) a national survey that was administered by ETC Institute during the fall of 2021 to a random sample of more than 9,000 residents in the continental United States and (2) a regional survey that was administered by ETC Institute during the fall of 2021 to a random sample of residents living in the Northwest Region of the United States. The Northwest Region includes the states of Washington, Oregon, Idaho, and Montana.

The charts on the following pages show how the results for the City of North Bend compare to the national average and the Northwest regional average. The blue bar shows the results for the City of North Bend, the red bar shows the results for the Northwest Region, and the yellow bar shows the national average.

# National Benchmarks

**Note: The benchmarking data contained in this report is protected intellectual property. Any reproduction of the benchmarking information in this report by persons or organizations not directly affiliated with the City of North Bend, WA is not authorized without written consent from ETC Institute.**

# Satisfaction with Community Livability

by percentage of respondents who were "very satisfied" or "satisfied" (excluding "don't know")

# Satisfaction with Communication and Engagement

## North Bend vs. the Northwest Region vs. the U.S.

by percentage of respondents who were "very satisfied" or "satisfied" (excluding "don't know")

# 3 Importance-Satisfaction Analysis

# Importance-Satisfaction Analysis

## Overview

Today, community leaders have limited resources which need to be targeted to activities that are of the most benefit to their citizens. Two of the most important criteria for decision making are (1) to target resources toward services of the highest importance to citizens; and (2) to target resources toward those services where citizens are the least satisfied.

The Importance-Satisfaction (I-S) rating is a unique tool that allows public officials to better understand both of these highly important decision-making criteria for each of the services they are providing. The Importance-Satisfaction (I-S) rating is based on the concept that public agencies will maximize overall customer satisfaction by emphasizing improvements in those areas where the level of satisfaction is relatively low, and the perceived importance of the service is relatively high.

The rating is calculated by summing the percentage of responses for items selected as the first, second, and third most important services for the City to prioritize over the next two years. The sum is then multiplied by 1 minus the percentage of respondents who indicated they were positively satisfied with the City's performance in the related area (the sum of the ratings of 4 and 5 on a 5-point scale excluding "don't know" responses). "Don't know" responses are excluded from the calculation to ensure the satisfaction ratings among service categories are comparable.

$$\text{I-S Rating} = \text{Importance} \times (1 - \text{Satisfaction})$$

## Example of the Calculation

Respondents were asked to identify the categories of City services that were most important to prioritize over the next two years. Just over sixty percent (60.2%) of the respondent households selected "*maintenance of city streets*" as one of the most important services for the City to prioritize.

With regard to satisfaction, 45.7% of respondents surveyed rated "*maintenance of city streets*" as a "4" or "5" on a 5-point scale (where "5" means "Very Satisfied") excluding "don't know" responses. The I-S rating was calculated by multiplying the sum of the most important percentages by one minus the sum of the satisfaction percentages. In this example, 60.2% was multiplied by 54.3% (1-0.457). This calculation yielded an I-S rating of 0.3269, which ranked second out of eight categories of City services analyzed.

# Importance-Satisfaction Analysis

The maximum rating is 1.00 and would be achieved when 100% of the respondents select an item as one of their top three choices of importance and 0% indicate they are positively satisfied with the delivery of the service.

The lowest rating is 0.00 and could be achieved under either of the following two situations:

- If 100% of the respondents were positively satisfied with the delivery of the service
- If none (0%) of the respondents selected the service as one of the three most important areas.

## Interpreting the Ratings

Ratings that are greater than or equal to 0.20 identify areas that should receive significantly more emphasis over the next two years. Ratings from 0.10 to 0.20 identify service areas that should receive increased emphasis. Ratings less than 0.10 should continue to receive the current level of emphasis.

- Definitely Increase Emphasis (I-S > 0.20)
- Increase Current Emphasis (I-S = 0.10 - 0.20)
- Maintain Current Emphasis (I-S < 0.10)

Tables showing the results for the City of North Bend are provided on the following pages.

## Importance-Satisfaction Rating

### City of North Bend, WA

#### City Services

Category of Service	Most Important %	Most Important Rank	Satisfaction %	Satisfaction Rank	Importance-Satisfaction Rating	I-S Rating Rank
<b><u>Very High Priority (IS &gt; .20)</u></b>						
Effectiveness of city economic development efforts	61%	1	20%	8	0.4894	1
Maintenance of city streets	60%	2	46%	5	0.3269	2
<b><u>High Priority (IS .10 - .20)</u></b>						
Effectiveness of city communication with public	34%	4	45%	6	0.1856	3
Enforcement of city codes and ordinances	17%	7	37%	7	0.1045	4
<b><u>Medium Priority (IS &lt; .10)</u></b>						
Quality of city parks & recreation programs/facilities	44%	3	80%	2	0.0858	5
Quality of police services	25%	5	73%	3	0.0676	6
Quality of customer service from city employees	11%	8	56%	4	0.0486	7
Quality of fire, emergency medical & ambulance services	19%	6	87%	1	0.0241	8

**Note:** The I-S Rating is calculated by multiplying the "Most Important" % by (1-'Satisfaction' %)

**Most Important %:**

The "Most Important" percentage represents the sum of the first, second, and third most important responses for each item. Respondents were asked to identify the items they thought should receive the most priority over the next two years.

**Satisfaction %:**

The "Satisfaction" percentage represents the sum of the ratings "4" and "5" excluding 'don't knows.' Respondents ranked their level of satisfaction with the each of the items on a scale of 1 to 5 with "5" being very satisfied and "1" being very dissatisfied.

# Survey Instrument

March 2023

Dear Neighbor,

**Your participation in the enclosed survey is extremely important. We hope you'll take a few minutes to complete it.** We believe it is crucial for the City of North Bend to hear directly from residents about their satisfaction with the services we provide, so that we can make the best decisions going forward.

Your household was one of a limited number within North Bend selected at random to receive this survey. ETC Institute, the survey company we have contracted with, will aggregate the results and will not disclose individual responses.

We recognize that this survey takes some time to complete, but every page and question is essential. The time you invest in this survey will help us assess how well we are meeting community needs and influence decisions on many fronts, including our financial choices and service adjustments. **We greatly appreciate your completion of the survey.**

**Please return your survey or complete it online sometime during the next week.** ETC will compile the results and present the results to the City in the next few months. The report will be a valuable resource as we work to provide you with the most responsive government possible. Look for a summary of the survey results on the city's website, [www.northbendwa.gov](http://www.northbendwa.gov).

Please return your survey in the enclosed post-paid envelope addressed to ETC Institute, 725 W. Frontier Circle, Olathe, Kansas, 66061, or go to [northbendsurvey.org](http://northbendsurvey.org) to complete the survey online. Another method to complete the survey is by calling ETC toll-free at 1-888-801-5368. If you need assistance with accessibility to the survey, please call us at the toll-free number.

If you have questions, please contact Jason Morado, Director of Community Research for ETC Institute, at [jason.morado@etcinstitute.com](mailto:jason.morado@etcinstitute.com) or (913) 254-4514. Thank you for your participation in this important process.

Sincerely,

Rob McFarland  
Mayor  
City of North Bend

# 2023 City of North Bend Community Survey

Please take a few minutes to complete this survey. Your input is an important part of the city's on-going effort to provide quality services North Bend residents need and value. If you have questions about this survey or need to take the survey in a different format or language, please call ETC Institute at (913) 254-4598.

1. **Community Livability.** Thinking of the general quality of life in North Bend, please rate each item on a scale of 1 to 5, where 5 means "Very Satisfied" and 1 means "Very Dissatisfied."

How satisfied are you with...	Very Satisfied	Satisfied	Neutral	Dissatisfied	Very Dissatisfied	Don't Know
01. Overall quality of life in North Bend	5	4	3	2	1	9
02. Overall quality of services provided by the city	5	4	3	2	1	9
03. Your overall feeling of safety in the city	5	4	3	2	1	9
04. The appearance of your community	5	4	3	2	1	9
05. North Bend's proximity to employers	5	4	3	2	1	9
06. Quality of North Bend's downtown area	5	4	3	2	1	9
07. Your opportunities for recreation	5	4	3	2	1	9
08. Ease of transportation and transit options	5	4	3	2	1	9
09. North Bend as a place to raise children	5	4	3	2	1	9
10. North Bend as a place to retire	5	4	3	2	1	9
11. North Bend as a place to shop	5	4	3	2	1	9
12. Overall value that you receive for your city tax dollars and fees	5	4	3	2	1	9

2. **City Services in General.** The City of North Bend provides some services directly and some through contracts. For each of the following broad categories, please rate each of the following on a scale of 1 to 5, where 5 means "Very Satisfied" and 1 means "Very Dissatisfied."

How satisfied are you with the overall quality of...	Very Satisfied	Satisfied	Neutral	Dissatisfied	Very Dissatisfied	Don't Know
1. Overall quality of police services	5	4	3	2	1	9
